MEMORANDUM

DATE: May 10, 2005

TO: Regional Directors

FROM: [original signed by] Edward Galbraith, Director
Water Protection Program

SUBJECT: Total Residual Chlorine

Effective as of the date of this memorandum please use the Method Detection Limit (MDL) for Total Residual Chlorine (TRC) as outlined in the Water Pollution Control Branch Permit Manual for issuing Notice of Violations for effluent exceedance for TRC in accordance with criteria in the Branch's I&E Manual.

If you have any questions please contact Kevin Mohammadi at (573) 751-1740.

EG:kmc
