- The occupants of each lead and copper sampling location were notified by U.S. Mail on _____.
(DATE)

- Hand Delivery _____
(DATE)

- Other (Describe Method) _____
(DATE)

I certify that each residence from where lead and copper tap water samples were collected has been informed of their lead and copper monitoring results along with the following information: MCLGs, ALs and their definitions, a fact sheet on the health effects of lead which includes steps to reduce exposure to lead in drinking water, and contact information for the water utility. I further certify that notification was completed within 30 days after our system learned of the results from the MDNR Public Drinking Water Branch, and that if the residence is a rental property; both the occupant(s) and rental property owner were notified.
