

2012 Emissions Reporting

1. **NO PRODUCTION or OUT OF BUSINESS:** If you did not operate during the entire calendar year 2012, submit a written statement by April 1, 2013; no other forms or emission fees are due. If your facility went out of business during calendar year 2012, contact us.
2. **EMAIL COMMUNICATIONS:** Update your email address for department business. Save our general email address for any issues you might have: EIQ@dnr.mo.gov.
3. **WHEN IN DOUBT, REVIEW YOUR CONSTRUCTION PERMIT:** Most information (emission factors, capture and control efficiency, etc.) should be consistent with what was determined by your Air Construction Permit. Call us if you need another copy.
4. **PORTABLE EQUIPMENT:** You can no longer report emissions for permitted portable equipment under a stationary identifier. Contact us if you have questions.
5. **2012 FEE:** Unchanged at \$40 per ton of chargeable emissions due by June 1 (CO, PM_{2.5} and NH₃ are still non-chargeable.) Be sure to return the enclosed invoice with your payment (we cannot accept American Express.)
