RE: Ventilation Study per 2.A.20 of 2007 Consent Judgment, Final Report Comments addressed.

Dear Mr. Kavanaugh,

Please note that we are in agreement with revisions to the ventilation study plan received from the Missouri Air Pollution Programs Joe Winkelmann on July 16th, 2009.

Again, Doe Run has and will continue to work with the agency to timely resolve any concerns regarding the implementation of the 2007 SIP.

Sincerely,

Gary Hughes
General Manager Primary Smelting
