

## 2014 Emissions Reporting

- NO PRODUCTION or OUT OF BUSINESS:** If you did not operate during the entire calendar year 2014, submit a written statement by April 1, 2015; no other forms or emission fees are due. If your facility went out of business during calendar year 2014, contact us.
- EIQ FRAMEWORK:** If we worked with you to set up new permitted equipment in your emission report this past year, review our communication with you for the steps to complete your report.
- WHEN IN DOUBT, REVIEW YOUR CONSTRUCTION PERMIT:** Most information (emission factors, capture and control efficiency, etc.) should be consistent with what was determined by your Air Construction Permit. Call us if you need another copy.
- EMAIL COMMUNICATIONS:** Update your email address for department business. Save our general email address for any issues you might have: [eiq@dnr.mo.gov](mailto:eiq@dnr.mo.gov).
- 2014 FEE:** Unchanged at \$40 per ton of chargeable emissions. (CO, PM<sub>2.5</sub> and NH<sub>3</sub> are still non-chargeable). Return the enclosed invoice with your payment (we cannot accept American Express).
- CREDIT CARD FEE:** Effective July 1, 2014, per Chapter 37, Section 37.007, of the Missouri Revised Statutes, a convenience fee will be charged to all customers who wish to pay by electronic method. The convenience fee will be retained by a third party vendor, Collector Solutions, Inc., not the Missouri Department of Natural Resources.

### Need help?

We are able to quickly resolve most issues with an exchange of emails or a phone call. Email us at [eiq@dnr.mo.gov](mailto:eiq@dnr.mo.gov) or call 866-663-4748 for technical support. We respond promptly and there is no fee for assistance.
