

DEPARTMENT OF NATURAL RESOURCES
REGIONAL FORUM AGENDA
JULY 11, 2012, 3-6 pm

DRURY UNIVERSITY'S TRUSTEE SCIENCE CENTER - REED AUDITORIUM
SPRINGFIELD MISSOURI

1. Welcome and forum overview.
2. The role of the Department's Southwest Regional Office.
3. Regional land issues.
4. Regional air issues.
5. Regional water issues.
6. Regional parks issues.
7. Open forum for questions.
8. Open house for exhibits and one on one questions.

Staff will provide a brief overview of several department issues that affect Southwest Missouri from 3 to 5 p.m. while allowing time for question and answers following each topic. The remaining time will include an open forum to cover additional topics as requested as well as an open house to allow attendees time to ask staff additional questions one-on-one.
