

| <b>2009 Tanks Rule Package</b>  |  |
|---|--|
| This table lists all rules that are a part of the 2009 tanks rule package. Shading indicates a rule the department proposes to amend beyond simple reference changes. |  |
| Old Rule Cite and Description   | New Rule Cite and Description  |
| <b><u>Chapter 10 Rules</u></b>  | All move to new <b>Division 26, Chapter 2</b>  |
| <b>10 CSR 20-10.010</b> Applicability   | Same rule with updated cross-references, language added regarding RBCA applicability, numbered <b>10 CSR 26-2.010</b>  |
| <b>10 CSR 20-10.011</b> Interim Prohibition for Deferred UST Systems  | Same rule with updated cross-references, numbered <b>10 CSR 26-2.011</b>   |
| <b>10 CSR 20-10.012</b> Definitions   | Same rule with many new RBCA-related terms and definitions added; rule incorporates target levels by reference; numbered <b>10 CSR 26-2.012</b>                                      |
| <b>10 CSR 20-10.020</b> Performance Standards for New UST Systems   | Same rule with updated cross-references, “site” changed to “facility,” numbered <b>10 CSR 26-2.020</b>   |
| <b>10 CSR 20-10.021</b> Upgrading of Existing UST Systems   | Same rule with updated cross-references, numbered <b>10 CSR 26-2.021</b>   |
| <b>10 CSR 20-10.022</b> Notification Requirements   | Same rule with updated cross-references, numbered <b>10 CSR 26-2.022</b>   |
| <b>10 CSR 20-10.030</b> Spill and Overfill Control  | Same rule with updated cross-references, numbered <b>10 CSR 26-2.030</b>   |
| <b>10 CSR 20-10.031</b> Operation & Maintenance of Corrosion Protection   | Same rule with updated cross-references, numbered <b>10 CSR 26-2.031</b>   |
| <b>10 CSR 20-10.032</b> Compatibility   | Same rule with updated cross-references, numbered <b>10 CSR 26-2.032</b>   |
| <b>10 CSR 20-10.033</b> Repairs Allowed   | Same rule with updated cross-references, numbered <b>10 CSR 26-2.033</b>   |
| <b>10 CSR 20-10.034</b> Reporting and Recordkeeping   | Update cross-references; “site” changed to “facility” in some cases, “location” in others; embedded form removed, otherwise rule language unchanged, numbered <b>10 CSR 26-2.034</b> |
| <b>10 CSR 20-10.040</b> General Requirements for Release Detection for all UST Systems  | Same rule with updated cross-references, numbered <b>10 CSR 26-2.040</b>   |
| <b>10 CSR 20-10.041</b> Requirements for Petroleum UST Systems  | Same rule with updated cross-references, numbered <b>10 CSR 26-2.041</b>   |
| <b>10 CSR 20-10.042</b> Requirements for Hazardous Substance UST Systems  | Same rule with updated cross-references, “site” changed to “facility,” numbered <b>10 CSR 26-2.042</b>   |
| <b>10 CSR 20-10.043</b> Methods of Release Detection for Tanks  | Same rule with updated cross-references, “site” changed to “area,” numbered <b>10 CSR 26-2.043</b>   |
| <b>10 CSR 20-10.044</b> Methods of Release Detection for Piping   | Same rule with updated cross-references, numbered <b>10 CSR 26-2.044</b>   |

### 2009 Tanks Rule Package

This table lists all rules that are a part of the 2009 tanks rule package. Shading indicates a rule the department proposes to amend beyond simple reference changes.

| Old Rule Cite and Description  | New Rule Cite and Description  |
|--|--|
| <b>10 CSR 20-10.045</b> Release Detection Recordkeeping                    | Same rule with updated cross-references, “on-site” changed to “at the facility,” numbered <b>10 CSR 26-2.045</b>   |
| <b>10 CSR 20-10.050</b> Reporting of Suspected Releases                    | Update cross-references, modified to consolidate reporting requirements from 10.053 and 10.061 into this rule, becomes <b>10 CSR 26-2.050</b> Release Reporting  |
| <b>10 CSR 20-10.051</b> Investigation Due to Off-Site Impacts              | Updated cross-references & changed “off-site” references, title changed to <i>Investigation Due to Impacts on Adjacent or Nearby Property</i> , numbered <b>10 CSR 26-2.051</b>                        |
| <b>10 CSR 20-10.052</b> Release Investigation and Confirmation Steps       | Same rule with updated cross-references and reference to current RBCA guidance at (1)(B), numbered <b>10 CSR 26-2.052</b>  |
| <b>10 CSR 20-10.053</b> Reporting and Cleanup of Spills and Overfills      | Updated cross-references, substantive changes at (1), (2)(A), and (3), numbered <b>10 CSR 26-2.053</b>   |
| <b>10 CSR 20-10.070</b> Temporary Closure                                  | Renumbered as <b>10 CSR 26-2.060</b> ; same rule with updated cross-references.  |
| <b>10 CSR 20-10.071</b> Permanent Closure and Changes in Service           | Renumbered as <b>10 CSR26-2.061</b> , same rule with updated cross-references  |
| <b>10 CSR 20-10.072</b> Assessing the Site at Closure or Change in Service | Renumbered as <b>10 CSR 26-2.062</b> with substantive changes  |
| <b>10 CSR 20-10.073</b> Applicability to Previously Closed UST Systems     | Renumbered as <b>10 CSR 26-2.063</b> , same rule with updated cross-references   |
| <b>10 CSR 20-10.074</b> Closure Records                                    | Renumbered as <b>10 CSR 26-2.064</b> , same rule with updated cross-references   |
| <b>10 CSR 20-10.060</b> Release Response and Corrective Action             | Renumbered as <b>10 CSR 26-2.070</b> , same rule with updated cross-references   |
| <b>10 CSR 20-10.061</b> Initial Release Response                           | Renumbered as <b>10 CSR 26-2.071</b> , same rule with updated cross-references and substantive addition regarding vapor monitoring when LNAPL present  |
| <b>10 CSR 20-10.062</b> Initial Abatement Measures, Site Check             | Renumbered as <b>10 CSR 26-2.072</b> , retitled: <i>Initial Abatement Measures, Site Check and Comparison with DTLs</i> , substantive additions regarding comparison to DTLs, updated cross-references |
| <b>10 CSR 20-10.063</b> Initial Site Characterization                      | Renumbered as <b>10 CSR 26-2.073</b> , same rule with updated cross-references and modified format   |
| <b>10 CSR 20-10.064</b> Free-Product Removal                               | Renumbered as <b>10 CSR 26-2.074</b> and retitled as “Light Non-Aqueous Phase Liquid Removal,” updated cross-references and substantive addition   |

## 2009 Tanks Rule Package

This table lists all rules that are a part of the 2009 tanks rule package. Shading indicates a rule the department proposes to amend beyond simple reference changes.

| Old Rule Cite and Description  | New Rule Cite and Description  |
|--|--|
| n/a  | New rule <b>10 CSR 26-2.075</b><br><i>Risk- Based Corrective Action Process</i>  |
| <b>10 CSR 20-10.065</b> Investigations for Soil and Groundwater Cleanup                        | Renumbered as <b>10 CSR 26-2.076</b> and retitled as <i>Site Characterization and Data Requirements</i> , completely revised, rule number 10 CSR 20-10.065 eliminated  |
| <b>10 CSR 20-10.068</b> Risk-Based Clean-Up Levels   | Renumbered as <b>10 CSR 26-2.077</b> , retitled as <i>Risk-Based Target Levels</i> , completely revised, rule number 10 CSR 20-10.068 eliminated                       |
| n/a  | New rule <b>10 CSR 26-2.078</b><br><i>Tiered Risk Assessment Process</i>   |
| <b>10 CSR 20-10.066</b> Corrective Action Plan   | Renumbered as <b>10 CSR 26-2.079</b> , completely revised, rule number 10 CSR 20-10.066 eliminated   |
| <b>10 CSR 20-10.067</b> Public Participation   | Renumbered as <b>10 CSR 26-2.080</b> and retitled <i>Public Participation and Notice</i> , completely revised, rule number 10 CSR 20-10.067 eliminated                 |
| n/a  | New rule <b>10 CSR 26-2.081</b><br><i>Long-Term Stewardship</i>  |
| n/a  | New Rule <b>10 CSR 26-2.082</b><br><i>No Further Action Determinations</i>   |
| <b><u>Chapter 11 Rules</u></b>   | All rules (25 total) move to <b>Division 26, Chapter 3</b>   |
| <b>10 CSR 20-11.090 through 11.115</b> Underground Storage Tank Financial Responsibility Rules | Renumbered <b>10 CSR 26-3.090 through 10 CSR 26-3.115</b> , language of rules unchanged, cross-references updated, cross references in appendix forms (1 – 18) updated |
| <b><u>Chapter 13</u></b>   | Rule moves to <b>Division 26, Chapter 4</b>  |
| <b>10 CSR 20-13.080</b> Underground Storage Tanks Administrative Penalties                     | Renumbered <b>10 CSR 26-4.080</b> ; language of rule unchanged, cross-references updated   |
| <b><u>Chapter 15 Rules</u></b>   | rules move to <b>Division 26, Chapter 5</b><br>Aboveground Storage Tanks – Release Response  |
| <b>10 CSR 20-15.010</b> Applicability and Definitions  | <b>10 CSR 26-5.010</b> ; rule language unchanged, cross-references updated   |
| <b>10 CSR 20-15.020</b> Release Reporting and Initial Release Response Measures                | <b>10 CSR 26-5.020</b> ; rule language unchanged, cross-references updated   |
| <b>10 CSR 20-15.030</b> Site Characterization and Corrective Action                            | <b>10 CSR 26-15.030</b> ; rule language unchanged, cross-references updated  |
