RE: Class 1 Permit Modification Without Prior Director's Approval
Lake City Army Ammunition Plant, Independence, Missouri
EPA ID# MO4213820489

Dear Ms. Casey:

This letter is to notify you that the Missouri Department of Natural Resources (Department) received Lake City Army Ammunition Plant's (LCAAP) Class 1 permit modification notice, dated August 27, 2010. The notification was for the following modifications:

1. Modification to the Part A, Certification Statement Section XVIII (identified as Section 13 on EPA Form 8700-23 Revised 3/2005), of the Hazardous Waste Management Facility Permit Application. This Modification updates the Commanding Officer for the Department of Army at Lake City Army Ammunition Plant.
2. Modification to the Part B, Section G, Contingency Plan and Emergency Procedures:
 - a. Page G-3 – Change address for member, change in chairman and alternate chairman and addition of response team member of the Emergency Response Team.
 - b. Page G-13 – Change Building 83 to Building 83 A, where acid neutralizing, Sodium Carbonate is stored
 - c. Page G-14 – Addition of spill response equipment and materials.

The Department agrees with LCAAP that this is a Class 1 permit modification not requiring prior director approval. LCAAP has already notified everyone on the facility mailing list within 90

days after the modification was put into effect, as outlined in 40 CFR 270.42(a)(1)(ii). LCAAP sent a copy of this notification, dated August 30, 2010.

If you have any questions regarding this letter, please contact George Fletcher, Environmental Engineer, of my staff at the Missouri Department of Natural Resources, Hazardous Waste Program, P.O. Box 176, Jefferson City, MO 65102-0176, or by phone at (573) 751-3553 or 1-800-361-4827, or by e-mail at george.fletcher@dnr.mo.gov. Thank you.

Sincerely,

HAZARDOUS WASTE PROGRAM
