Re: AK Steel, Kansas City, Missouri
RCRA Part B Post Closure Permit Number MOD 007 118 029
Class 2 Permit Modification Request

Dear Mr. Lamb:

 AK Steel is requesting a Class 2 permit modification to the RCRA Part B Post-Closure Final Permit (Permit Number MOD 007 118 029, Effective Date February 16, 1994). The modification is requested to update the security provisions in the Post-Closure Plan for the RCRA landfill. The proposed revision to the Post-Closure Plan is attached. If these changes are acceptable, then the attached document should be incorporated as Section 6.0 of AK Steel's Part B Post Closure Permit Application from 2003.

In accordance with 10 CSR 25-7.270 and 40 CFR 270.42(b) a notice of modification will be sent to all persons on the mailing list and public notification requirements will be met. A timeline for the public notification, public meeting, and public comment period is provided on attached Table 1. The notice is expected to be mailed by March 11, 2016, and the public notification in the Kansas City Star is scheduled by March 11, 2016. A public meeting has been scheduled for March 30, 2016 from 4 to 5 PM at the North-East Branch of the Kansas City Public Library, 6000 Wilson Road, Kansas City, Missouri.

If you or your staff has any questions, please call me at (513) 425-3476 or email pat.gallo@aksteel.com.

CERTIFICATION:

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision according to a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

The Certification and attached Post-Closure Plan are submitted on behalf of AK Steel Corporation.

Very truly yours,

Patrick Gallo
Senior Environmental Manager of Environmental Affairs
