

**Missouri Department of Natural Resources
Hazardous Waste Management Commission
Certification of Decision**

The Commission hereby adopts the July 22, 2011, Recommended Decision of the Administrative Hearing Commission on Case # 09-1417 HWC, which upholds the contested conditions of the permit (MOD030712822) issued on September 23, 2009, to Exide Technologies Inc., because those conditions were authorized by law.”

DATE: December 15, 2011
