Hannibal, Missouri, EPA ID# MOD054018288

Dear Ms. Farr:

This letter is to notify you that the Missouri Department of Natural Resources (Department) received Continental Cement Company, LLC/Green America Recycling, LLC's (CCC/GAR) Class 1 Permit Modification notice, dated March 16, 2010. The notification was to clarify and increase inspection requirements in the current Rail Tank Car Inspection Report form in your consolidated permit application, dated August 25, 2008.

The Department agrees with CCC/GAR that this is a Class 1 Permit Modification not requiring prior director approval. CCC/GAR must send a notice of the modification to everyone on their facility mailing list and the appropriate units of state and local government within 90 calendar days after the change was put into effect, as outlined in Code of Federal Regulations 40 CFR 270.42(a)(1)(ii).
