RE: Class 1 Permit Modification Without Prior Director's Approval
Safety-Kleen Systems, Inc., Columbia, Missouri
EPA ID# MOD980971626

Dear Mr. Reppond:

This letter is to notify you that the Missouri Department of Natural Resources (DNR) received Safety-Kleen's notification dated March 2, 2009. The notification was for updating the Emergency Coordinator information. This modification specifically replaces Appendix G, Exhibit G-2 of the approved permit application dated September 11, 2002. The DNR agrees with Safety-Kleen that this is a Class 1 permit modification not requiring prior director approval. Safety-Kleen must mail a notification letter to everyone on the facility mailing list within 90 days after the modification was put into effect, as outlined in 40 CFR 270.42(a)(1)(ii). Safety-Kleen must send a copy of this notification to the DNR.

If you have any questions regarding this letter, please contact Mr. Richard Hock, at the Missouri Department of Natural Resources, Hazardous Waste Program, P.O. Box 176, Jefferson City, MO 65102-0176, or by phone at (573) 751-3553 or 1-800-361-4827, or by e-mail at richard.hock@dnr.mo.gov.
