RE: Class 1 Permit Modification with Prior Director's Approval – Adding Waste Code U249
Waste Express Incorporated, Kansas City, Missouri
EPA ID# MOD981123391

Dear Mr. Hayes:

This letter is to notify you that the Missouri Department of Natural Resources (Department) reviewed Waste Express's Class 1 Permit Modification request, dated October 22, 2009. The request was to update the Missouri Hazardous Waste Management Facility Part I permit, dated February 3, 1997, to include the management of waste code U249. The Department found the information to be complete.

The Department agrees with Waste Express, Incorporated, that this is a Class 1 Permit Modification requiring prior director approval. We are approving the modification request with the following conditions:

- 1) Waste Express, Incorporated, must send a notice of the modification to everyone on their facility mailing list and the appropriate units of state and local government within 90 calendar days after the date of this letter, as outlined in Code of Federal Regulations 40 CFR 270.42(a)(1)(ii).
- 2) Waste Express, Incorporated, must send a copy of the notice to the Department.
- 3) Waste Express, Incorporated, must include the analytical test method for waste code U249 to the closure plan in the permit renewal application and associated cost estimate. Please provide this closure plan and cost estimate with the next submittal of the closure plan and cost estimate for the renewal application.
