RE: Class 1 Permit Modification Without Prior Director Approval
EBV Explosives Environmental Company (EBVEEC), Joplin, Missouri
EPA ID# MOD985798164

Dear Mr. Zoghby:

This letter is to notify you that the Department of Natural Resources (department) received EBVEEC's notification dated October 15, 2008. The notification was for allowing EBVEEC to update the Visitors Access Control as specified in Section 2.2.4 of the Resource Conservation and Recovery Act Permit Application. This will modify the wording in that section from "Field Office" to "Main Security Gate."

The department agrees with EBVEEC that this is a Class 1 permit modification not requiring prior director approval. EBVEEC must mail a notification letter to everyone on the facility mailing list within 90 days after the modification was put into effect, as outlined in 40 CFR 270.42(a)(1)(ii). EBVEEC must send a copy of this notification to the department.

If you have any questions regarding this letter, please contact Mr. Richard Hock, Environmental Engineer at the Missouri Department of Natural Resources, Hazardous Waste Program, P.O. Box 176, Jefferson City, MO 65102-0176, or by phone at (573) 751-3553 or 1-800-361-4827, or by e-mail at richard.hock@dnr.mo.gov.

Sincerely,

HAZARDOUS WASTE PROGRAM
