

**DEPT. OF NATURAL RESOURCES' SOLID WASTE MANAGEMENT PROGRAM
SOLID WASTE MANAGEMENT DISTRICT L FY2014
APPROVED GRANT APPLICATIONS**

PROJECT NUMBER	APPLICANT PROJECT NAME COUNTY	ALLOC. TYPE	PROJECT TYPE	AWARD CARRYOVER INTEREST INCOME PROGRAM INCOME	PROJECT MANAGER	DESCRIPTION
L2014-001	St. Louis - Jefferson Solid Waste Management District SWM District L - FY14 District Operations District-Wide	DO	ADM	\$444,970.00 \$0.00 \$0.00 \$0.00	Mr. David Berger	This project funds district administrative operations for District L including salaries and fringe benefits for five (5) FTEs and wages for one (1) part-time employee, ongoing grant administration, FY2014 grant round, independent audit, inventory assessment and other planning activities, website development & maintenance, database expansion & data management, training & conferences, technical assistance, SWAB, MORA, statewide issues, and forthcoming projects and opportunities.
L2014-002	St. Charles County St. Charles County "HHW Expansion Program" St. Charles County	CC	WR	\$0.00 \$70,000.00 \$0.00 \$0.00	Mr. Ryan Tilley	This grant funds salaries for six (6) part-time employees and the purchase of a permanent HHW storage building, or "Bunker" to be located at the County's, "Recycle Works West" location, in Wentzville, Missouri. Funds will also apply to cost of Bunker delivery, installation, and electrical hook-up. The Bunker is engineered and constructed for safe & secure storage of HHW and will be used to temporarily secure HHW materials accepted during Collection Events. The grant will also fund sub-contracting with Envirosolve, Inc. for pick-up, transportation and disposal costs of HHW.
L2014-003	Missouri Recycling Association Missouri Recycling Association, "MORA Strive for 75 Education Campaign" District-Wide	CC	EDU	\$0.00 \$25,000.00 \$0.00 \$0.00	Ms. Angie Gehlert	The primary intent of this project is to promote a statewide, solid waste diversion goal of 75%. This subgrant will partially fund salaries, educational material, billboards, Web-presence development & maintenance and overhead expenses to support MORA activities.

PROJECT NUMBER	APPLICANT PROJECT NAME COUNTY	ALLOC. TYPE	PROJECT TYPE	AWARD CARRYOVER INTEREST INCOME PROGRAM INCOME	PROJECT MANAGER	DESCRIPTION
L2014-004	University of Missouri - St. Louis University Curators, "Highly Visible Waste Reduction Initiatives at UMSL" St. Louis County	CC	RE	\$0.00 \$14,028.00 \$0.00 \$0.00	Mr. Nasser Arshadi, Ph.D.	This grant partially funds expansion of composting operations on the University of Missouri's St. Louis campus through salary assistance for an existing part-time employee and for four new part-time student-employees, and the purchase & placement of collection containers for compostables.
L2014-005	Midwest Carpet Recycling Midwest Carpet Recycling, "Recycling Roll-off Containers" District-Wide	CC	RE	\$0.00 \$42,000.00 \$0.00 \$0.00	Mr. Eugene Knaus	This grant will partially fund the purchase of eight (8), enclosed roll-off containers. The newly bought containers will augment existing containers and enhance the facility's collection & processing capacity, as well as increase waste diversion.
L2014-006	Didion Orf Recycling Didion Orf Recycling, "Electronics Recycling Expansion Project" St. Charles	CC	RE	\$0.00 \$34,000.00 \$0.00 \$0.00	Mr. Adam Orf	This grant will partially fund relocation of the Didion Orf Electronics Recycling Division to a 15,000 square foot, off-site facility. Up to \$13,000 of district grant funds will be used toward the purchase of a fork lift, up to \$19,000 for facility leasing costs, and up to \$2,000 for an electrical contractor to prepare the facility for operations. Expansion into a larger facility will enable the subgrantee to meet increased demand for electronics recycling.

PROJECT NUMBER	APPLICANT PROJECT NAME COUNTY	ALLOC. TYPE	PROJECT TYPE	AWARD CARRYOVER INTEREST INCOME PROGRAM INCOME	PROJECT MANAGER	DESCRIPTION
L2014-007	St. Louis Regional Chamber of Commerce St. Louis Regional Chamber of Commerce, "St. Louis Green Business Challenge" District-Wide	CC	EDU	\$0.00 \$30,000.00 \$0.00 \$0.00	Mr. Jason Hall	This grant will partially fund the Chamber's project named, "St. Louis Green Business Challenge: Recycling as a Cornerstone of Sustainable Business Practice". The project will include funding for print & digital media to recruit companies, and increase salary from one (1) part-time employee to one full time employee as the project's "Business Challenge Coordinator".
L2014-008	St. Louis Cardinals St. Louis Cardinals, LLC, "4 A Greener Game Recycling Program at Busch Stadium" City of St. Louis	CC	WR	\$0.00 \$30,000.00 \$0.00 \$0.00	Mr. Hosei Maruyama	On 9-3-14 this grant is amended to show the \$5,000 for subcontracted removal and transportation of organic waste to a permitted or exempt composting facility is from match not grant funds. On 5-18-14, the project addresses waste produced by various concessionaires and vendors at Busch Stadium. The grant enhances expansion of recycling and composting operations at the stadium by providing state-funded salaries for up to six (6) part-time employees at \$30,000 and \$5,000 for subcontracted removal and transportation of organic waste to a permitted, or lawfully permit exempted, composting facility. The grant includes match funding for an additional part-time employee at \$5,000.
L2014-009	Flooring Systems Inc. Flooring Systems, Inc., "Carpet Reclamation Program - Phase IV" District-Wide	CC	RE	\$0.00 \$24,000.00 \$0.00 \$0.00	Mr. Ron Komlos	This grant partially funds continuation and expansion of Flooring System Inc.'s, Carpet Recycling Program through purchase of a fork lift, as well as partially funding a new-hire, recycling technician.

PROJECT NUMBER	APPLICANT PROJECT NAME COUNTY	ALLOC. TYPE	PROJECT TYPE	AWARD CARRYOVER INTEREST INCOME PROGRAM INCOME	PROJECT MANAGER	DESCRIPTION
L2014-010	JTTA, Inc. dba Midwest Recycling Center Midwest Recycling Center, "Environmental Compliance and Community Collection Optimization Project" District-Wide	CC	RE	\$48,162.00 \$26,838.00 \$0.00 \$0.00	Mr. Michael Krieg	This grant funds \$58,240 for wages for 3 FTEs, and 1 half-time FTE. District carryover of \$18,000 will be used as match funding toward employee salaries. The grant also funds \$16,760 toward the purchase of a used semi-trailer with lift-gate. District carryover of \$3,140 will be used as match funding toward trailer purchase.
L2014-011	Pattonville School District Pattonville School District, "Implementing District-Wide Organics Composting" St. Louis	CC	CO	\$25,000.00 \$0.00 \$0.00 \$0.00	Ms. Mary Ann Brann	This grant will help the Pattonville School District fund the purchase of 800 cases of compostable trays, fifteen 23-gallon roll carts for compostable bags, 67 cases of compostable bags, and 4000 flyers informing of the school district's organics composting project. The grant will also fund 100 hours of consultancy by EcoUrban, LLC, and Blue Skies Recycling for removal and transportation of organic waste to a permitted, or lawfully permit exempted, composting facility.
L2014-012	Habitat for Humanity of St. Charles County ReStore Habitat for Humanity of St. Charles County ReStore, "St. Charles County ReStore" St. Charles	CC	RE	\$60,000.00 \$0.00 \$0.00 \$0.00	Ms. Andrea Hughes	This grant partially funds relocation of the St. Charles County ReStore to a facility that is more easily found, offers increased visibility and presents a larger, more useful operational space. The grant also partially funds continuation of ReStore operations and allows hiring of four (4) part-time employees at the new location.

PROJECT NUMBER	APPLICANT PROJECT NAME COUNTY	ALLOC. TYPE	PROJECT TYPE	AWARD CARRYOVER INTEREST INCOME PROGRAM INCOME	PROJECT MANAGER	DESCRIPTION
L2014-013	Resource Recovery Project Inc. d/b/a CREATE Inc. Leftovers, etc. (Resource Recovery Project, Inc.), "Leftovers, etc. Resource and Learning Center" District-Wide	CC	EDU	\$52,000.00 \$0.00 \$0.00 \$0.00	Ms. Sandra O'Dell	This grant partially funds continuation of the "Leftovers, etc." community based education program and outreach center by providing partial salary for the Learning Center's Coordinator, and through support for direct costs, including lease and telephone. Leftovers provides surplus resources provided by business, industry and households to teachers and others to ensure children receive basic tools and materials needed for creative learning and school supplies.
L2014-014	Always Green Recycling, Inc. Always Green Recycling, Inc., "Always Green Recycling Project" District-Wide	CC	RE	\$50,000.00 \$0.00 \$0.00 \$0.00	Mr. Cliff Roberts	Funds from this grant will be used in purchasing four-hundred eighty-six (486), 95-gallon, recycling roll carts and an additional tote washer. The purchase of these items will directly result in further expansion of this business's operational capacity for collection and processing recyclables and help increase waste diversion from landfills.
L2014-015	MO Botanical Garden - EarthWays Center Missouri Botanical Garden- EarthWays Center, "Recycling Education to Meet 21st Century Standards" District-Wide	CC	EDU	\$60,000.00 \$0.00 \$0.00	Ms. Kim Petzing	This grant funds three (3) part-time salaries, including supplies and materials for mini-grants, campus network meetings and teaching, transportation, conferences, printing, supplies to develop green schools, and indirect costs. The project augments & assists college and university recycling education programs, aids development of recycling education curriculum for grades K through 12, provides recycling education services including LEAP (Leadership in Environmental Action Projects), special projects, and additional recycling education for the general public, which includes educational activities at the Missouri Botanical Garden, adult classes, public events and educating docents who then inform the public.

PROJECT NUMBER	APPLICANT PROJECT NAME COUNTY	ALLOC. TYPE	PROJECT TYPE	AWARD CARRYOVER INTEREST INCOME PROGRAM INCOME	PROJECT MANAGER	DESCRIPTION
L2014-016	Webster University Webster University Composting Pilot St. Louis County	CC	CO	\$25,000.00 \$0.00 \$0.00 \$0.00	Mr. Brad Wolaver	This grant partially funds two (2) in-vessel composters: Earth Tub Composting System for \$12,000 + \$5,895 match and partially funds 23 containers which have three parts, one for composting, one for single stream recycling and one for landfill waste and shipping. Grant funds shall only be used for recycling/composting containers and not trash containers pursuant to 10 CSR 80-9.050(2)(B)6. Grant funding for the 23 containers is for the composting and single stream recycling portion only and 2/3rds of the total shipping costs.[\$895.95(cost for one container + shipping) x .6667 = \$597.30 then \$597.30 x 23= \$13, 737.90 - \$737.90 match= \$13,000].
L2014-017	Hunt Industrial Service Corporation Hunt Industrial Service Corporation, "Pallet Recycling and Market Expansion Program Phase V" Jefferson	CC	WR	\$10,000.00 \$0.00 \$0.00 \$0.00	Mr. Jeff Hunt	This grant assists the applicant's purchase of a semi-tractor. The vehicle will be used by Hunt Industrial Service Corporation to move trailers containing pallets and bulk quantities of mulch.
L2014-018	Central Paper Stock Company, Inc. Central Paper Stock Company, Inc.: Saving Trees from Trailer to Baler District-wide	CC	RE	\$40,000.00 \$0.00 \$0.00 \$0.00	Mr. David Robnak	This grant partially funds ten (10) used trailers @ \$6,250 each for \$40,000 plus \$22,500 match. Central Paper Stock Company, Inc. provides recycling for paper, plastics, metals, product and document destruction services to allow customers one place to go for all their recycling needs. Central Paper Stock provides many customers with a dropped trailer to allow them to load recyclables (which Central Paper Stock provides free of charge) and they also use trailers to load material on a regular or spot basis.

PROJECT NUMBER	APPLICANT PROJECT NAME COUNTY	ALLOC. TYPE	PROJECT TYPE	AWARD CARRYOVER INTEREST INCOME PROGRAM INCOME	PROJECT MANAGER	DESCRIPTION
L2014-019	St. Louis Green Inc. St. Louis Green Recycling Programs District-wide	CC	RE	\$75,000.00 \$0.00 \$0.00 \$0.00	Mr. Craig Jung	This grant funds personnel including fringe benefits for: Executive Director for 800 hours at \$38.00 per hour for \$25,480 plus \$4,920 match and Coordinator for 2,080 at \$19.00 per hour for \$39,520 and equipment: forklift for \$10,000 plus \$5,000 match. St. Louis Green Inc. includes the Holiday Light Recycling Drive which collects and recycles holiday lights and extension cords, the Furniture/Metal to Food Program which sells or recycles used office furniture, the Pots to Planks Program which diverts plastic plant containers by grinding the plastic and selling it or having it made into plastic planks for sale and the Mattress Recycling Program which breaks down mattresses into their component parts and sells them. The forklift will be used in the St. Louis Green Recycling Facility warehouse to move and dump pallets, bins and mattresses.
L2014-020 grant withdrawn	St. Patrick Center St. Patrick Center Go Green St. Louis City	CC	RE	\$0.00 \$0.00 \$0.00 \$0.00	Ms. Nancy Yohe	This grant partially funds personnel: trainer/sustainability coordinator for St. Patrick Center for \$25,000 plus match funds of \$3,544.88 for a total of \$28,544.88 (1092 hours at \$26.14 per hour including fringe benefits). The trainer/sustainability coordinator will provide training to St. Patrick clients on green industry knowledge, skills and abilities and placement of clients in green industry jobs. St. Patrick Center helps men and women who have struggled with homelessness, poverty and unemployment on a daily basis by helping them find permanent and reliable employment. Grant not approved by SWMP. Grant withdrawn by grant applicant.
L2014-021	City of Byrnes Mill City of Byrnes Mill Recycling Drop-off Project Jefferson	CC	RE	\$20,000.00 \$0.00 \$0.00 \$0.00	Mr. Anthony Whitby	This grant partially funds personnel for the City of Byrnes Mill Recycling Center in the amount of \$20,000 including one FTE 2,080 hours at \$11 per hour including fringe benefits and match of \$2,880 and one part-time employee match of \$2,750 with 100 hours at \$27.50 including fringe benefits. The recycle center is open five (5) days a week, 52 weeks a year to accommodate users and surrounding communities.
L2014-022	Refab Refab District-wide	CC	RE	\$40,000.00 \$0.00 \$0.00 \$0.00	Mr. Eric Schwartz	This grant partially funds personnel: Operations Manager for \$15,475 plus \$4,480 match (1383 hours @ \$14.42 per hour), and funds equipment: diesel pickup truck for \$10,000 and material hauling trailer for \$3,500 and supplies: material handling equipment-small tools, dollies, hand trucks, etc. for \$10,000 and packaging/banding small tools for \$1,025. Refab is a non-profit organization which operates a salvage and resale business through deconstruction of buildings and trains veterans from St. Patricks for its deconstruction crews.

PROJECT NUMBER	APPLICANT PROJECT NAME COUNTY	ALLOC. TYPE	PROJECT TYPE	AWARD CARRYOVER INTEREST INCOME PROGRAM INCOME	PROJECT MANAGER	DESCRIPTION
L2014-023	Midwest Shingle Recycling, LLC	CC	RE, WR	\$20,000.00	Mr. Lawrence Kutun	Funds from this grant will be used toward the purchase of a D6 bulldozer. The equipment is expected to positively impact efficiency and enhance all aspects of the subgrantee's handling and processing of recycled asphalt shingles and other recyclable materials, such as aluminum, wood, steel and plastics.
	Midwest Shingle Recycling, LLC - "Expansion of Asphalt Shingle Recycling"			\$0.00		
	District-Wide			\$0.00		
L2014-024	City of St. Peters Public Works Department	CC	WR	\$25,000.00	Mr. William Charnisky	Funds from this grant will aid the City of St. Peters purchase a plastic air separator removal system for their composting operation. The removal system is expected to remove up to 80% of recyclable plastics, bottles and aluminum cans from their compostable materials thus diverting nearly six thousand (6,000) tons per year from the waste stream.
	City of St. Peters Public Works Department, "Plastic Removal System"			\$0.00		
	St. Charles			\$0.00		
L2014-025	Spectrum Ecycle Solutions, Inc.	CC	RE	\$15,000.00	Mr. Dave Candelario	This grant funds \$15,000 for the recycling of CRTs and TVs collected at Spectrum Ecycle Solutions, Inc.'s electronics collections and the permanent recycling depot at the Des Peres Habitat ReStore. Area residents, small businesses, schools and municipalities will have no charge for electronics recycling at these events and Spectrum will recycle the Des Peres Habitat Restore's CRTs and TVs free of charge. Spectrum Ecycle sorts, demanufactures and places equipment in gaylord boxes for shipment to downstream end processors.
	Spectrum Ecycle Solutions, Inc.: Residential TV and CRT Recycling			\$0.00		
	District-wide			\$0.00		

PROJECT NUMBER	APPLICANT PROJECT NAME COUNTY	ALLOC. TYPE	PROJECT TYPE	AWARD CARRYOVER INTEREST INCOME PROGRAM INCOME	PROJECT MANAGER	DESCRIPTION
L2014-026	St. Louis Earth Day St. Louis Earth Day Recycling on the Go St. Louis City & County	CC	RE, CO	\$75,000.00 \$0.00 \$0.00 \$0.00	Ms. Cassandra Hage	This grant partially funds personnel for \$66,000: Recycling on the Go Program Manager for \$35,000 plus \$2,000 match (2,017.4 hours @ \$18.34 per hour), Recycling on the Go Site Supervisors-seasonal for \$5,000 (357.3 hours @ \$13.99 per hour), Recycling on the Go Event Staff/Ambassadors-seasonal for \$8,000 (742.8 hours @ \$10.77 per hour), Executive Director for \$8,000 plus \$3,000 match (369.9 hours @ \$29.73 per hour) and Programs/Marketing Director for \$10,000 plus \$2,000 match (488.7 hours @ \$24.55 per hour), office space rental for \$5,000 plus \$1,000 match (12 months@ \$500 per month), storage space rental for \$600, vehicle rental insurance/maintenance for \$1,000 plus \$350 match, fuel for vehicle for \$600, Recycling on the Go program operations materials for \$1,050 plus \$250 match and sanitation/safety supplies for \$750. St. Louis Earth Day: Recycling on the Go provides environmental stewardship to events including reducing waste, increasing recycling and removing edible and post-consumer food from the waste stream. They also provide training for vendors and organizers and onsite strategies to reduce waste.
L2014-027	Harry S. Cohen, LLC DBA Blue Skies Recycling Harry S. Cohen, LLC DBA Blue Skies Recycling, "2014 Food Composting Program" District-Wide	CC	CO	\$35,000.00 \$0.00 \$0.00 \$0.00	Mr. Harry S. Cohen	This grant partially funds the purchase of a food waste collector body that will aid in increasing Blue Skies' capacity to provide collection and transportation of compostable/recyclable materials to a certified organics composter for its customers. The food waste collector body will enable Blue Skies to handle bin collection and cleaning more efficiently and provide clean & sanitary bins to its customers.
L2014-028	Pro Computers & Consulting Pro Computers & Consulting, "Shredder Acquisition" District-Wide	CC	RE	\$40,000.00 \$0.00 \$0.00 \$0.00	Mr. Vladimir	This grant partially funds the purchase of a shredder, which will aide expansion of e-waste collection and processing operations. The enhancement expected to result from addition of the shredder will enable the subgrantee to increase its capacity to divert more electronic waste from the landfill waste stream.

PROJECT NUMBER	APPLICANT PROJECT NAME COUNTY	ALLOC. TYPE	PROJECT TYPE	AWARD CARRYOVER INTEREST INCOME PROGRAM INCOME	PROJECT MANAGER	DESCRIPTION
L2014-029	CMS Recycling d/b/a St. Louis Recycling CSM Recycling d/b/a St. Louis Recycling: Warehouse and Customer Service Managers and Sorter Jefferson	CC	RE	\$60,000.00 \$0.00 \$0.00 \$0.00	Mr. John Stockton	This grant partially funds personnel: a warehouse manager for \$20,000 with match of \$18,584, a sorter for \$20,000 with match of \$8,600 and a customer service manager for \$20,000 with \$7,825 match. This grant provides operational support for a public drop-off program for single -stream recycling in Jefferson County for both residential and business customers.
L2014-030	Pedro's Planet, Inc. Pedro's Planet, Inc., "Pedro's Planet Paper Shredding Expansion Program" District-Wide	CC	RE	\$35,000.00 \$0.00 \$0.00 \$0.00	Mr. Peter "Pedro" McMillan	Funds from this grant will aid expansion of the subgrantee's paper collection and shredding operations through the purchase of a 4-cylinder diesel-powered, 16-foot box truck with lift gate. The vehicle will significantly contribute to the subgrantee's ability to enhance operational efficiency and increase capacity for collection and processing of recyclable paper.
L2014-031	St. Louis Produce Market, Inc. St. Louis Produce Market, Inc., "Recycling Damaged Wood Pallets & Wood Corn Crates Project" City of St. Louis	CC	RE	\$35,000.00 \$0.00 \$0.00 \$0.00	Sean Kelley	This grant partially funds the purchase of a grinder. The equipment will be used to grind damaged wood pallets & wood corn crates - reducing the material into mulch for area nurseries and landscapers. Recovered metal will be processed through local scrap metal recyclers.

PROJECT NUMBER	APPLICANT PROJECT NAME COUNTY	ALLOC. TYPE	PROJECT TYPE	AWARD CARRYOVER INTEREST INCOME PROGRAM INCOME	PROJECT MANAGER	DESCRIPTION
L2014-032	Habitat for Humanity of St. Louis ReStore	CC	RE	\$20,000.00	Mr. Josh Vaughn	This grant partially funds personnel, one FTE for Donations Acquisition Assistance for \$20,000 plus match of \$800 (2080 hours at \$10 per hour). The Habitat for Humanity's Donations Acquisition Assistant handles correspondence with donors and the scheduling and routing of donation pickups. In addition, Habitat for Humanity is establishing an electronics dropoff at the Des Peres ReStore and will take electronics except for certain items such as fluorescent tube bulbs and PCB-bearing ballasts. Habitat for Humanity is partnering with Spectrum E-cycle to recycle the electronics free of charge.
	Habitat for Humanity of St. Louis ReStore: Donation Acquisition Assistance			\$0.00		
	City of St. Louis			\$0.00		
L2014-033	City of Maplewood	CC	RE, CO	\$8,000.00	Ms. Tiffany Davis	This grant partially funds single-stream recycling services for \$5,120 and funds composting services for \$2,880 for the businesses located in the 7300 Manchester and 2700 Sutton blocks of Maplewood. The City built two brick refuse enclosures with areas for recycling and composting at either end of the Marietta Parking Lot for the businesses. St. Louis County Department of Health assisted with costs of building one of the enclosures and provided funds to offset the cost of composting and recycling services for one year. The City would like to continue to provide composting and recycling services free of charge to these businesses for an additional year. Grant and match funds shall only be used for recycling and composting services and not trash services pursuant to 10 CSR 80-9.050(2)(B)6.
	City of Maplewood: Recycling and Composting in the Marietta Parking Lot			\$0.00		
	St. Louis			\$0.00		
				\$0.00		
L2014-034	Eden Theological Seminary	CC	RE	\$2,772.00	Ms. Beverly Scanlon	Funds from this grant will be used to aid the purchase of thirty-three (33), 7-gallon, 2-Bin style, table-top recycling and waste collection units; ten (10), 58-gallon, 2-Bin style, recycling and waste collection units; and ten (10), 32-gallon, 2-Bin style, recycling and waste collection units. District grant funds will only be used to pay for the recycling bin portion of the two-bin units. Grant funds will also be used to purchase one (1), 95-gallon, Rolling Cart for collection and consolidation of recyclable materials.
	Eden Theological Seminary			\$0.00		
	St. Louis			\$0.00		
				\$0.00		

PROJECT NUMBER	APPLICANT PROJECT NAME COUNTY	ALLOC. TYPE	PROJECT TYPE	AWARD CARRYOVER INTEREST INCOME PROGRAM INCOME	PROJECT MANAGER	DESCRIPTION
L2014-035	Lens Masters, Inc. Lens Masters Inc: St. Louis Consolidation Center District-wide	CC	RE	\$25,000.00 \$0.00 \$0.00 \$0.00	Mr. Bernard Brader	This grant partially funds: personnel including two (2) operations workers-- one worker for \$3,347 and \$400 match (\$16.83 per hour for 222 hours) and a second worker for \$3,347 and \$366 match (\$13.87 per hour for 267 hours), forklift extenders for \$180, 5,000 four foot lamp boxes for \$8,023.50, 1,000 eight foot lamp boxes for \$2,627.10 and 1,000 U-Tube lamp boxes for \$3,078.90, printing plates to use in box identification for \$964.80, small supplies for \$900 and auto insurance for \$2,531.70. Lens Masters collects and consolidates fluorescent lamps, non-PCB ballasts, batteries, computers and cardboard then transports them to Veolia's facility in Wisconsin for recycling.
L2014-036	City of St. Louis/Refuse Division City of St. Louis, Refuse Division - Recycling Education, Outreach & Rewards Program St. Louis City	CC	EDU	\$75,000.00 \$0.00 \$0.00 \$0.00	Mr. Nick Yung	This grant funds one (1) new full-time position designated as, "Recycling Rewards Program Manager", and two (2) part-time positions to administer the City's public outreach program named, "River City Recycling Rewards Program". The program is aimed at creating and sustaining neighborhood-based, recycling groups. The project also funds salaries for three (3) part-time recycling education consultants. The grant also partially funds printing and mailing recycling education materials to residents of an estimated seventy-nine (79) St. Louis neighborhoods. In addition, the grant funds fifteen (15) months office rent, two (2) fifteen-month mobile phone service plans for program staff and one Internet service plan.
L2014-037	St. Louis Earth Day St. Louis Earth Day: Green Dining Alliance District-wide	CC	CO	\$50,000.00 \$0.00 \$0.00 \$0.00	Ms. Cassandra Hage	This grant partially funds personnel: Green Dining Alliance Program Manager for \$31,000 + \$5,000 match (\$17.82 per hour for 2020 hours including fringe benefits), Green Dining Alliance Audit Specialist for \$15,000 + \$600 match (\$16.15 per hour for 965.9 hours including fringe benefits), Executive Director for \$2,000 (\$29.73 per hour for 67.27 hours including fringe benefits) and Programs and Marketing Director for \$2,000 (\$24.52 per hour for 81.56 hours including benefits). This grant will provide operational support for the Green Dining Alliance Program, a restaurant sustainability certification program.
L2014-038	HEC-TV HEC-TV St. Louis Recycles District-wide	CC	EDU	\$10,000.00 \$0.00 \$0.00 \$0.00	Ms. Helen Headrick	This grant partially funds equipment - a light kit for \$3,000 and a videographer for \$6,800 and funds DVD replication of 100 DVDs @\$2 each for \$200. HEC-TV will create five (5) public service announcements featuring local recycling programs which will be aired on HEC-TV, hosted on its website and made available to local stations.

PROJECT NUMBER	APPLICANT PROJECT NAME COUNTY	ALLOC. TYPE	PROJECT TYPE	AWARD CARRYOVER INTEREST INCOME PROGRAM INCOME	PROJECT MANAGER	DESCRIPTION
L2014-039	City of Kirkwood City of Kirkwood Commercial and Multi-Family Recycling Program St. Louis	CC	RE	\$60,000.00 \$0.00 \$0.00 \$0.00	Mr. James Vitale	During 2013, the City of Kirkwood passed an ordinance requiring all commercial and multi-family units to be serviced by the City's Sanitation Department. As part of implementing the City's project, this grant will fund the purchase of: twenty (20), 2-yard containers; twenty (20), 3-yard containers; eighteen (18), 4-yard containers; thirteen (13), 6-yard containers; and two hundred eleven (211) 96-gallon containers for placement throughout the City. The project will create at least one (1) part-time (PTE) route driver position. The Subgrantee's match will fund the PTE salary. Containers will be conveniently located for businesses and multi-family units and may be placed on public property when feasible. If any container is to be located on private property, the City will obtain written authorization from the property owner granting explicit permission for container placement and materials collection operations. A copy of any authorization will be provided to the District.
L2014-040	St. Louis Post- Dispatch St. Louis Post Dispatch: Marci's Recycle Challenge District-wide	CC	EDU	\$20,000.00 \$0.00 \$0.00 \$0.00	Ms. Catherine Rezabeck	This grant funds electronic access for \$20,000 which will allow educators to access the St. Louis Post-Dispatch Newspapers in Education's ePost, an electronic edition of the newspaper, at no cost. Newspapers in education will be incorporating an environmental studies series for students featuring Marci's Recycling Adventure. The series will run in all editions of the St. Louis Post-Dispatch, providing information to not only students, but also St. Louis area residents on the importance of recycling and solid waste management.
L2014-041	Grace Hauling, Inc. Grace Hauling Inc.: Save Green with Grace St. Charles	CC	RE	\$30,000.00 \$0.00 \$0.00 \$0.00	Mr. Gary Schneider	This grant partially funds front load recycling containers: 2 yard, 4 yard, 6 yard and 8 yard recycling containers for \$9,000 plus \$1,000 match and approximately 484 recycling roll carts for \$21,000 and \$4,000 match. Grace Hauling, Inc. will expand its commercial accounts to add recycling services. It will use the recycling carts for both its commercial and residential customers. Grant funds shall only be used for recycling containers/carts and not trash containers/carts pursuant to 10 CSR 80-9.050(2)(B)6.

L2014-043	Adonis Electronics Recycling Adonis Electronics Recycling, "Equipment (Box Truck) for Adonis Electronics Recycling" District-Wide	CC	RE	\$15,000.00 \$0.00 \$0.00 \$0.00	Mr. Mike Wichlan	Funding from this grant will aid the purchase of a box truck. The truck will replace an old trailer. The more reliable & larger truck will enable Adonis Electronics Recycling to collect higher volumes of recyclable electronics and E-Waste with improved efficiency.
L2014-044	City of St. Peters - Health and Environmental Services St. Peters Recycle City Resource/Sustainability Center St. Charles	CC	EDU	\$1,500.00 \$0.00 \$0.00 \$0.00	Mr. William Malach	This grant funds recycling/sustainability books for \$1,000 and two (2) display cases for \$500. Match includes a recycling/sustainability DVD for \$750. The City of St. Peters has a recycle city tour room that averages 400 visitors per year. The tour room has viewing windows which overlook the tipping floor and the production floor. The room will serve as a center and resource for local educators, scout troop leaders and other groups interested in recycling and sustainability. Materials will be available for teachers to use prior to the tour and for the public to borrow. The room will also be available for recycling/sustainability group meetings, training, and scout badges. The display cases will exhibit end-products made from recycled materials to show what recycling accomplishes for the groups.
L2014-045	St. Louis Health Equipment Lending Program, Inc. St. Louis Health Equipment Lending Program, Inc. (STL HELP), "HELP On Wheels Collection Program" District-Wide	CC	WR, RE, EDU	\$30,000.00 \$0.00 \$0.00 \$0.00	Ms. Laura J. Cannon-Singer	This grant will partially fund the purchase of a box truck. The truck will enable STL HELP to expand its collection program, including biannual Equipment Drives at thirteen (13) locations, equipment "micro-drives" at religious organizations, retirement centers, hospitals, civic groups and schools. STL HELP will also expand its hours of operation, and increase distances they can travel to collect home medical equipment. Grant funds will also be used toward applying STL HELP branding signage on the vehicle, vehicle insurance and fuel.
