

## Major Appliance Collection Services in Missouri Communities

*Updated Tuesday, June 29, 2010*

- This list is not an endorsement or warranty by the Missouri Department of Natural Resources. The information in the report comes from biennial assessment inventories submitted by each of Missouri's solid waste management districts or requests from businesses to be included on the list.
- Individuals seeking appliance recycling services should contact the service provider directly for location, operating hours or other information on materials accepted. Service providers may charge a fee for accepting appliances which require special processing.
- For additional information or to request your business or organization be added to this listing, please contact the department's Solid Waste Management Program at 573-751-5401 or 800-361-4827.
