SOLID WASTE MANAGEMENT DISTRICT ANNUAL REPORT

1 (a). What waste goals did the district have for the fiscal year period and what actions did the districts take to achieve these goals?

1. Develop and maintain markets for recyclable material collected by District "O" member cities and counties, and by businesses in the district. Action Taken: Supported the following three District "O" Recycling Processors with District Grants. O2014-003 Greenway Recycling, Fordland and Springfield. O2014-005 Big Dog Recycling, Halfway. O2014-007 Webco Custom Industries, Marshfield. District "O" has also worked closely, including the above listed financial support, with the 7 recycling processors and one electronics recycling processor located in our district Those are: Big Dog Recycling, a full service processor and drop-off center in Halfway. Commercial Metals a Springfield metal recycler Computer Recycling Center, Springfield. Greenway Recycling, a full service processor with locations in Fordland and Springfield, Marck Recycling, a full service processor in Republic, Nestle Purina PetCare, a Springfield pet litter plant which collects and uses paper as feedstock.

2. Make every effort to provide all District "O" residents, businesses, and institutions with reasonable access to multi-material recycling drop-off centers and/or recycling curbside (point of generation) collection service. Action Taken: District "O" has 28 recycling drop-off centers in our five counties. District "O" has at least one recycling drop-off center within 25 miles of every District "O" home or business. Grant Proposals we have identified are any that establish new, or improve existing, recycling operations. Of particular interest are proposals for recycling commodities that are difficult to recycle or have been neglected in the past. This includes Glass, Electronics, Household Hazardous Waste, Food waste, ~~Food Waste~~, and Special Event Recycling.

3. Make every effort to provide all District "O" residents, businesses, and institutions with reasonable access to environmentally safe, reliable, and affordable solid waste and household chemical disposal service and facilities. Action Taken: In past years District "O" has awarded District Grants to the Springfield Household Collection Center (HCCC), which provides free drop-off disposal service to Greene County residents. Since 2011 District "O" has provided the same free drop-off service at the Springfield HCCC to the other four counties in the district. Currently it's provided with District Plan Implementation Grant O2012-08. A new HCCC Grant is being sought for 2015.

4. Provide technical assistance to District "O" members and businesses in grant management and the design, funding, implementation, and operation of waste reduction programs. Action Taken: District "O" provided technical assistance in the design, funding, and implementation of waste reduction programs to the following projects: O2014-002 Computer Recycling Center, Springfield. O2014-003 Greenway Recycling, Fordland and Springfield. O2014-004 Urban Districts Alliance, Springfield O2014-005 Big Dog Recycling, Halfway O2014-006 Habitat for Humanity ReStore, Springfield O2014-007 WebCo Custom Industries, Marshfield O2014-008 Mercy Hospital, Springfield. Ash Grove, Improvements to recycling center

5. Maintain liaison with Missouri Department of Natural Resources, other Solid Waste Management Districts, and federal, state, and local governments and promote intergovernmental cooperation to meet the District "O" Mission Statement. Action Taken: District "O" staff attended all 2014 SWAB and Planners meetings, attended hearings and provided input to Senate Committee on Solid Waste Management Law, and attended DNR grant and Re-Trak seminars.

1 (b). What waste goals does the district have for the upcoming fiscal period and what actions does the district plan to take to achieve these goals. Please include the types of grant proposals that will be sought for the upcoming period to assist in meeting these goals.

8. Describe your district's grant proposal evaluation process.

1. Each year, approximately one month before the due date of grant applications the District "O" Chair appoints a District Grant Evaluation Subcommittee and a meeting date is set. 2. The subcommittee consists of the Chair and three Executive Board members or alternates. 3. The District "O" Planner and Associate Planner serve as committee staff, but do not evaluate, rank, or vote on applicants. 4. Each Subcommittee member is furnished a complete copy of each grant application, an application summary prepared by District "O" staff, and an evaluation score sheet for review approximately one month before the committee meets. 5. The committee meets, discusses the applications and each independently evaluates and scores each grant application. 6. If a subcommittee member has any interest in a grant applicant they will not participate in the discussion and will not evaluate the application. 7. The applications are ranked numerically by the combined scores. 8. At the next Executive Board meeting the scores and ranking are presented to the full committee. 9. Using the subcommittee evaluation and ranking as a guide, the board votes on the applications. 10. Any Executive Board member who has an interest in any application must abstain from voting.
