CONSENT JUDGMENT

Plaintiff, by and through its relators Attorney General Chris Koster and the Missouri Department of Natural Resources, and Defendants, Jeffrey Shuey and Mary Shuey d/b/a JLC Trailer Court, consent to the entry of this Consent Judgment.

The Court has read Plaintiff's Petition for Injunctive Relief and Civil Penalties, in which Plaintiff alleges that Defendants violated the Missouri Clean Water Law. The Court is satisfied that the provisions of this Consent Judgment are intended to resolve the issues raised by the Petition and that the parties want to terminate this controversy and consent to the entry of this judgment without trial.

Each and every term of this Judgment shall be enforceable by further order of this Court, and to that end, the Court retains jurisdiction of the

matter in order to enforce each and every term of this Consent Judgment. The Court finds that the terms of this Consent Judgment protect the public's interest.

The parties, having consented to the entry of this Consent Judgment, it is hereby ORDERED, ADJUDGED AND DECREED that:

I. Objectives of the Parties

1. The objectives of the parties to this Consent Judgment are to protect human health and the environment and to resolve allegations contained in Plaintiff's Petition.

II. Definitions

and assigns. Defendants shall provide a copy of this order to all persons or entities retained to perform work required by this order.

V. Satisfaction and Reservation of Rights

5. Upon the completion of all terms of this Consent Judgment, including the payment of civil penalties, completion of all schedules of compliance and the payment of any stipulated penalties due under the terms of this Consent Judgment, Defendants are relieved of liability for the violations alleged in the petition.

6. This Consent Judgment shall not be construed to limit the rights of the State to obtain penalties or injunctive relief under the Missouri Clean Water Law or its implementing regulations, or under other federal or state laws, or regulations, except as expressly stated in the preceding paragraph of this Consent Judgment. Without limiting the foregoing, the parties expressly agree that:

a. Nothing in this Consent Judgment shall prevent the State from applying to this Court for further orders or relief if violations of this Consent Judgment occur.

b. Nothing in this Consent Judgment shall preclude the State from seeking equitable or legal relief for violations of the Missouri laws or regulations that were not alleged in the petition.

c. Nothing in this Consent Judgment shall preclude the State from seeking equitable or legal relief for future violations of the Missouri Clean Water Law or regulations promulgated under its authority.

d. The State of Missouri further reserves all legal and equitable remedies to address any imminent and substantial endangerment to the public health or welfare or the environment arising at, or posed by, Defendants' facility, acts or omissions, whether related to the violations addressed in this Consent Judgment or otherwise.

VI. Injunctive Relief

7. Defendants agree and are ordered to comply with all State of Missouri environmental statutes, the Missouri Clean Water Law (Chapter 644 RSMo), and all implementing regulations for any and all future activities in the State of Missouri.

8. Defendants shall immediately cease all discharges from the Facility and pump and haul wastewater from the lagoon to a permitted wastewater treatment facility with the capacity to treat the wastewater. The Defendant agrees to continue pumping and hauling wastewater, as necessary, to prevent any overflows or discharges of sewage to waters of the state until a wastewater collection and treatment system approved by the

Missouri Department of Natural Resources has been constructed for JLC Trailer Court or JLC Trailer Court is connected to a Department-approved wastewater treatment system. Additionally, Defendants agree to maintain pumping and hauling receipts and make these receipts available to the Department by the 10th day of the month following the month that the receipts are written. The receipts shall include the date that the wastewater was pumped; number of gallons pumped; the name of the wastewater hauler and the permitted facility accepting the wastewater. If the Facility produces no discharge, then the Defendants shall submit photographs sufficient to prove the absence of discharge and a signed statement attesting to the absence of discharge in lieu of pumping and hauling receipts. If the Department determines that the photographs are insufficient to verify the absence of discharge, then the Department shall notify Defendant of such, and the Defendant shall pump and haul as necessary until sufficient evidence of no discharge, as determined by the Department, is provided to the Department.

9. Defendants shall complete the schedule of compliance in either subparagraph A or B. All required reports, plans and specifications shall be prepared and sealed by a professional engineer licensed to practice in the State of Missouri and developed pursuant to the requirements of 10 CSR 20-8.020:

15. Defendants consent to the entry of judgment in favor of the State of Missouri for a civil penalty of \$20,400. Defendants hereby authorize entry of this judgment against them and in favor of the State of Missouri for this sum.

16. Suspended Civil Penalty. \$13,200 of the total penalty of \$20,400 shall be suspended upon the condition that Defendants comply with the Missouri Clean Water Law and its implementing regulations for a period of 2 years from the entry of this Consent Judgment. Once a violation of the Missouri Clean Water Law is documented by the Missouri Department of Natural Resources, the Missouri Attorney General's Office shall send a written demand for the suspended penalty to Defendants. Defendants shall have fifteen (15) days from its receipt of the written demand to submit the

suspended penalty in the manner described in paragraph 17. The suspended penalty provided in this Consent Judgment shall be in addition to any other rights, remedies, or sanction available to State for Defendants' violation of this Consent Judgment or applicable law.

Box 899, Jefferson City, MO 65102-0899. That check will be deposited and processed in accordance with the Consent Judgment and Missouri law.

20. The inclusion of stipulated penalty provisions in this Consent Judgment, and the payment of stipulated penalties, does not limit the State's ability to pursue other penalties for the same acts; where a violation of this Consent Judgment also constitutes a violation of a statute, stipulated penalties may be collected in addition to statutory penalties imposed for those violations.

X. Modification

21. Except as otherwise specified herein, this Consent Judgment
