Re: City of Wentzville - Sanitary Sewer Specification Pre-Approval

Mr. Shaw:

We have received your June 18<sup>th</sup>, 2014 Response Letter to the previously submitted Construction Specifications and Standard Details for Sanitary Sewers. The City of Wentzville is currently reviewing the requirements and recommendations listed within the Response Letter. In order to provide a complete response, I respectfully request that an extension to the thirty (30) day response deadline is provided for the City of Wentzville. If an extension is granted, please provide the City the extended response deadline. We estimate that an additional thirty (30) days will be sufficient.

Sincerely,

A handwritten signature in blue ink that reads "Gregory Wallace".
