F. APPLICANT AGREEMENT			
<p>APPLICANT AGREEMENT</p> <p>I understand that I have not yet been awarded funding for this project. If this application is selected for an award, then I must sign a subgrant agreement detailing the terms and conditions of the project and submit paid receipts for the new vehicle(s) purchased as well as photographic evidence that the old vehicle(s) has(have) been scrapped per the requirements of the grant before I will be entitled to any reimbursement. The photographic evidence will include "before", "during", and "after" pictures of each vehicle being replaced through this grant. The vehicles identified in this application to be replaced meet the definitions and requirements for early replacements under this request for applications, or RFA. I agree not to sell any equipment that was purchased through this program without first receiving written permission from the department. I also recognize that I will not be eligible for reimbursement of any costs that were incurred before the project period began and/or after the project period ends.</p> <p>If selected for an award under this RFA, I agree to provide the department with updates as requested pertaining to the status of the project. I further agree not to purchase any goods or services with funding from this grant without procurement using fair competition in compliance with the Environmental Protection Agency's regulations. I accept all terms and conditions of the RFA. I certify to the best of my knowledge that the information in this application is true and correct. I am a legally authorized signatory or designee for the submittal of this information and any other required information on the behalf of the participant. By signing below, the applicant agrees to all terms and conditions listed in and attached to this RFA.</p>
