Re: Response to Draft Rulemaking for 10 CSR 23-5.010 through 5.080, in accordance with Executive Order 02-05

Dear Mr. Bozoian:

In accordance with Executive Order 02-05, the Department of Economic Development has reviewed the draft rulemaking pertaining to updated waste treatment standards that you submitted to us on June 7, 2011.

After reviewing the rules, we have not identified any proposed amendments that would have a significant fiscal impact on the mission of the Department of Economic Development.

Please feel free to contact us if you have any questions or concerns.

Sincerely,

A handwritten signature in black ink that reads "David D. Kerr".
