Mr. D.D. Patterson and Mr. Dewey Wright
1412 East Broadway
Seminole, OK 74868

Dear Sirs:

Several weeks ago I called and talked with both of you on the phone concerning the plugging of the Patco Investments Inc. Allen #1 well located in Sec. 16, T.55N., R.36W in Buchanan County, Missouri.

On your recommendation Mr. Patterson, I talked to Mr. Wright and on your recommendation Mr. Wright I tried to get in touch with Ralph Stone to see if he knew anything about the plugging of this well. I left a message for Mr. Stone and he never returned my call. I would suggest that you gentlemen get in touch with Mr. Stone, or whoever supposedly plugged this well, and get this information to me. This file needs to be closed and if this well has been plugged, I need the information on that plugging otherwise I will be forced to refer this case to the Attorney General's office for action and he may pursue bond forfeiture in this instance.

Sincerely,

ECONOMIC GEOLOGY
