INSTRUCTIONS

On the above plat, show distance of the proposed well from the two nearest section lines, the nearest lease line, and from the nearest well on the same lease completed in or drilling to the same reservoir. Do not confuse survey lines with lease lines. See rule 10 CSR 50-2.030 for survey requirements. Lease lines must be marked.

This is to Certify that I have executed a survey to accurately locate oil and gas wells in accordance with 10 CSR 50-2.030 and that the results are correctly shown on the above plat.

AMOUNT

\$1,000.⁰⁰

Each Certificate of Deposit described above is payable to the State Oil and Gas Council or LaQuinta (Obligor), and shall be kept in the custody of the State of Missouri until successful completion of the conditions of this obligation, and shall be forfeitable by the State of Missouri, acting through the State Oil and Gas Council, if the conditions of this obligation are not met.

The Condition of this obligation is such, that whereas the above-named obligor is the owner of an existing oil, gas, or stratigraphic well or wells, or proposes to drill a well or wells for oil, gas, or stratigraphic purposes in and upon the following described land situation within the State, to wit: Sec. 4 55N 30W; that the obligor will undertake operations and complete plugging in accordance with the statutes, the rules, regulations, and orders of the State Oil and Gas Council and that this bond is subject to forfeiture pursuant to the statutes and regulations for failure to so comply. Collier # 3

Now, therefore, if the obligor shall comply with all of the provisions of the laws of this State, the rules, regulations, and orders of the State Oil and Gas Council, including the proper plugging for abandonment of said well, and filing with the State Geologist all notices and records required by said Council, then this obligation is void; otherwise, the same shall be and remain in full force and effect.
