Missouri Gas Partners

To: Matt Parker

Matt:

As I explained to you in our telephone conversation today, attached are two surveys for the Ed Froman lease, Ed Froman #1 and Ed Froman #2. We had two locations surveyed because we wanted to make sure we had access if the ground was really wet. We wanted to be courteous to the landowner and not make a mess. At any rate, we will drill only one of the Ed Froman locations surveyed. We will notify you of the one we intend to use after we arrive around September 9th.

Thank You,

Gary Heinemeyer
General Partner
