Farm _____ No. 0076 TD 243 Shows _____ Spl. _____
Status _____ Date Completed 6-10-39 Fm@TD _____
Remarks: 135 N of SW corner

075-00032

This well has limited locational information. GPS coordinates plot in the center of the section. The quarter section placement locates the well in the SW1/4 of the SW1/4 of the SW1/4, however there is only a measured description from the southwest corner of the section (135 feet north). Locational information updated 10/30/2013 by Marissa Spencer.
