

# ***YOU ARE INVITED***

AN INFORMATIONAL MEETING TO  
IMPROVE WATER QUALITY BY TRAINING  
PRIVATE WELL OWNERS IN THE  
NEWTON COUNTY AREA

**Thursday, July 30, 2015**

**6 – 9 p.m**

**Lampo, 500 E. Spring, Neosho, MO**

Midwest Assistance Program with the support of an EPA grant is hosting a public meeting for private well owners. This meeting will provide information on water quality, hydrology, well construction and other related topics. Speakers will include: Kyle Rollins, Section Chief, Missouri Geological Survey, Delbert Anderson, Environmental Supervisor, Newton Co. Health Department and Chris and Donna, Operators of Letts and Demery Pumps and Drilling.
