

## **Contractor and Apprentice Well and Pump Installation Testing Schedule**

All tests begin at 9 a.m.

The following 2015 testing dates are scheduled at the Missouri Geological Survey, Annex Building, 1251 Gale Drive, Rolla.

January 14, 2015	July 8, 2015
February 11, 2015	August 12, 2015
March 11, 2015	September 16, 2015
April 8, 2015	October 14, 2015
May 13, 2015	November 18, 2015
June 10, 2015	December 9, 2015

Testing dates may be modified if necessary.

**Please bring a picture ID with you to the testing site.**

If you are applying for a non restricted permit, please be sure to bring your global positioning unit (GPS) and operating manual to the test site. Your GPS unit should be programmed to read in degrees, minutes, and seconds in accordance with 10 CSR 23-3.060(5). If you have questions concerning this schedule or testing please call 573-368-2450.

Persons with disabilities who may require special services may contact Jeannie Hoyle at the number above.
