Dear Business and Industry Kitchen Cabinet Members:

I would like to express my sincerest thanks to you for your recent participation in a meeting of the Missouri Department of Natural Resources' Business and Industry Kitchen Cabinet. Your input is invaluable to us and we appreciate you making the time and effort to attend and engage. I believe these discussions are vital and hope you agree. In fact, we've incorporated some of the key suggestions made by kitchen cabinet members into several Department initiatives. We also appreciate the opportunity to share information on Department priorities and programs.

We will be sending out more information soon about the meeting September 25 in Jefferson City for all kitchen cabinet members, and hope you will be able to join us then.

Thank you again for contributing to the conversation and I look forward to seeing you again soon. If you have any additional ideas or concerns in the meantime, please do not hesitate to convey them to me.

Sincerely,

DEPARTMENT OF NATURAL RESOURCES
