Dear Environmental Kitchen Cabinet Members:

I would like to express my sincerest thanks to you for your recent participation in a meeting of the Missouri Department of Natural Resources' Environmental Kitchen Cabinet. Your input is invaluable to us and we appreciate you making the time and effort to attend and engage. I believe these discussions are vital and hope you agree. In fact, we will soon be incorporating key suggestions made by kitchen cabinet members into several Department initiatives. We also appreciate the opportunity to share information on Department priorities and programs.

Please don't forget that we plan to bring all our kitchen cabinet members together for a meeting this fall and hope you'll plan to be there.

Thank you again for contributing to the conversation and I look forward to seeing you again soon. If you have any additional ideas or concerns in the meantime, please do not hesitate to convey them to me.

Sincerely,

DEPARTMENT OF NATURAL RESOURCES
