Dear Environmental Kitchen Cabinet Members:

Thank you for taking time to share your thoughts and ideas with us at this year's Missouri Department of Natural Resources Environmental Kitchen Cabinet meeting. Your input is invaluable as we continue to refine our department's strategic vision. We appreciate your input on critical issues facing our communities and department. Together we will be able to address these challenges through collaboration and an open dialogue.

Notes from this recent meeting have been posted on the kitchen cabinet website, <http://www.dnr.mo.gov/kitchencabinet.htm>. Because we didn't have time to cover all our meeting topics we have provided additional information in the notes on several key topics. Please provide input if you would like to.

Thank you again for sharing your thoughts with us, and I look forward to seeing you again this fall for the All Kitchen Cabinet meeting. If you have additional thoughts or concerns before the All Kitchen Cabinet meeting, please let me or my staff know.

Sincerely,

DEPARTMENT OF NATURAL RESOURCES
