Dear Environmental Kitchen Cabinet Members:

Thank you for taking time to share your thoughts and ideas with us at this year's Environmental Kitchen Cabinet meeting. Your input is invaluable as we move into implementing our department's strategic plan. We appreciate your input on critical issues facing the department and for your continued support and partnership.

I want to provide a special thank you to our guest speakers Environmental Protection Agency Region 7 Administrator, Mark Hague and Department of Health and Senior Services Acting Director, Peter Lyskowski. I'd also like to thank Brandon Butler, Executive Director for Conservation Federation of Missouri for providing an update on the Citizen's Committee for the Parks, Soils and Water Sales Tax Renewal effort.

Notes from this recent meeting have been posted on the kitchen cabinet website, <http://dnr.mo.gov/kitchen-cabinet/>.

Thank you again for sharing your thoughts with us, and I look forward to seeing you again this fall for the All Kitchen Cabinet meeting which will be on September 16, 2016. If you have additional thoughts or suggestions on how to make these meetings more beneficial for you, please let me or Andrea Balkenbush know.

Sincerely,

DEPARTMENT OF NATURAL RESOURCES
