Agenda

Welcome and Introductions

General Updates – we will update you on topics including:

- Ozone (2008 & 2015 standards), Rulemaking, Appendix W, Cross State Rule, staffing updates etc.

Roundtable Discussion

- We will not have a presentation but we plan to have a discussion on air permitting. Please bring any comments, suggestions or ideas you have on air permitting.
 - Operating Permits
 - We will provide an update on the new application system we are working on for Basic Operating Permits and provide an update on a revision to the Part 70 and Intermediate Permits application forms.
 - Ideas for improvements?
 - Construction Permits
 - We will provide a brief summary of our current regulatory process and ask for feedback and discussion on minor source permit modeling for increment and National Ambient Air Quality Standards
 - Any ideas for streamlining, improvements etc.?

Discussion – any other topics of interest?
