

MISSOURI AIR CONSERVATION COMMISSION

RESOLUTION CONCERNING SECTION 393.135 OF THE MISSOURI REVISED STATUTES THAT PROHIBITS COST RECOVERY DURING CONSTRUCTION OF NUCLEAR POWER PLANTS

WHEREAS, our nation’s rapidly growing energy demand will require a balanced portfolio of energy sources that includes nuclear power plants;

WHEREAS, nuclear power plants promote clean air by providing continuous power with no greenhouse gas or traditional air pollutant emissions; and

WHEREAS, section 393.135 has proven to be an intractable roadblock for financing and construction of new nuclear power plants in Missouri;

THEREFORE, BE IT RESOLVED that pursuant to section 643.050.3 (Powers and Duties of the Commission) the Commission, for the advancement of clean air and a secure energy future for Missouri, respectfully requests the Division of Energy of the Missouri Department of Natural Resources and the Missouri Legislature address the negative impact of section 393.135 on the ability to construct new nuclear power plants in Missouri.
