

**Title 10 – DEPARTMENT OF NATURAL RESOURCES
Division 26 – Petroleum and Hazardous Substance Storage Tanks
Chapter 1 – Underground and Aboveground Storage Tanks – Organization**

PROPOSED RULE

PURPOSE: This rule provides a description of this division of the Code of State Regulations and explains the methods and procedures whereby the public may obtain information or make submissions or requests regarding the rules in this division.

10 CSR 26-1.010 Organization

(1) For ease of administration, and to assist the regulated community and the general public, the Missouri Hazardous Waste Management Commission and the Missouri Clean Water Commission have jointly decided to assemble their rules relating to underground and aboveground storage tanks into one division of the Code of State Regulations, Division twenty-six (26). These rules are organized as follows:

(A) Rules pertaining to underground storage tanks are contained in chapters two (2), three (3), and four (4) of division twenty-six (26) and are under the authority of the Missouri Hazardous Waste Management Commission, in accordance with sections 319.109 and 319.137 RSMo.

(B) Rules pertaining to aboveground storage tanks are contained in chapter five (5) of division twenty-six (26) and are under the authority of the Missouri Clean Water Commission, in accordance with section 644.026 RSMo.

(2) Day-to-day administration of these rules is carried out by the Department of Natural Resources' Hazardous Waste Program. Requests for copies of these rules or other information about implementation of these rules are to be submitted to the Department of Natural Resources, Hazardous Waste Program, P.O. Box 176, Jefferson City, Missouri 65102.

(3) Additional information about the Hazardous Waste Management Commission and its operations may be found at 10 CSR 25-1.010, 2.010 and 2.020. Additional information about the Clean Water Commission and its operations may be found at 10 CSR 20-1.010 and 1.020.

Authority: Section 536.021, RSMo
