MEMORANDUM OF UNDERSTANDING
Missouri Department of Natural Resources and the City of St. Louis

USE OF LOCAL GROUNDWATER ORDINANCE AS ENVIRONMENTAL INSTITUTIONAL CONTROL WHEN USING MISSOURI’S RISK-BASED CORRECTIVE ACTION PROCESS ON CONTAMINATED SITES

I. PURPOSE AND INTENT

A. This Memorandum of Understanding ("MOU") between the City of St. Louis and the Missouri Department of Natural Resources (DNR) is entered into for the purpose of encouraging restoration, reuse and redevelopment of sites in the City of St. Louis and to satisfy the requirements of the Missouri Risk-Based Corrective Action (MRBCA) Technical Guidance for the use of a groundwater ordinance as an environmental institutional control. The Missouri DNR has reviewed Ordinance 66777 of the City of St. Louis (Attachment A) and determined that the ordinance prohibits the installation and use of potable water supply wells by public and private entities. The ordinance provides that the unit of local government may enter into an MOU with the Missouri DNR to allow the use of the ordinance as an institutional control.

B. The intent of this Memorandum of Understanding is to specify the roles and responsibilities that must be undertaken by the unit of local government and the Missouri DNR and to specifically satisfy the requirements for MOUs as set forth in Section 11 of the MRBCA Technical Guidance.

II. DECLARATIONS AND ASSUMPTION OF RESPONSIBILITY

In order to 1) ensure the long-term integrity of the groundwater ordinance as an institutional control that prohibits the current and future use of groundwater as potable water (thereby eliminating the drinking water pathway) and 2) ensure that the risk to human health and the environment from any contamination left in place in reliance on the groundwater ordinance is effectively managed, the City of St. Louis hereby assumes the following responsibilities:

A. The City will notify the Missouri DNR of any proposed changes to Ordinance 66777 or requests for variance at least 30 days prior to the date the local government is scheduled to take action on the proposed change or request;

B. Together with the Missouri DNR, the City will maintain a list of all sites within the geographical boundaries of the city, that have received Letters of Completion from the Missouri DNR under the MRBCA process, provided the City has received copies of said letters from the Missouri DNR. Copies of Letters of Completion should be forwarded to the executive Director, St. Louis Development Corporation, 1015 Locust Street, St. Louis, MO 63101.

C. The City will enforce the ordinance and notify DNR when the ordinance is violated; and

D. The City will allow the Missouri DNR access to information necessary to monitor adherence to the terms of this MOU or to the ordinance.

III. SUPPORTING DOCUMENTATION

The following documentation is required in Section 11 of the Departmental MRBCA Technical Guidance and is attached to this MOU:
A. Attachment A: A copy of the Ordinance 66777 certified by the Register is the current, controlling law and provides authorization for the City to enter into this Memorandum of Understanding;

B. Attachment B: Identification of the legal boundaries within which the ordinance is applicable (certification by city clerk or other official that the ordinance is applicable everywhere within the corporate limits; if ordinance is not applicable throughout the entire city or village, legal description, map, and GPS coordinates of area showing sufficient detail to determine where ordinance is applicable).

This MOU shall be revisited as appropriate to ensure it functions as intended. This MOU may be changed or terminated upon approval of both parties at any time.

IN WITNESS WHEREOF, the lawful representatives of the parties have caused this MOU to be signed as follows:

FOR: City of St. Louis

Francis G. Slay, Mayor

DATE: October 20, 2006

Darlene Green, Comptroller

DATE: 10-2-06

Parrie L. May, City Register

(Name and title of signatory)
AN ORDINANCE PERTAINING TO GROUNDWATER; PROHIBITING
THE USE OF GROUNDWATER AS A POTABLE WATER SUPPLY,
PROHIBITING THE DIGGING AND INSTALLATION OF POTABLE
WATER SUPPLY WELLS; CONTAINING DEFINITIONS, AUTHORIZING
THE MAYOR ON BEHALF OF THE CITY TO ENTER INTO
MEMORANDUM OF UNDERSTANDING WITH THE MISSOURI
DEPARTMENT OF NATURAL RESOURCES FOR TRACKING AND
REPORTING REMEDIATED SITES AND CONTAINING A PENALTY AND
AN EMERGENCY CLAUSE.

WHEREAS, due to limited quantity and low quality, there are areas of shallow
groundwater beneath the City of St. Louis that at this time are not valuable as potable water
sources, and therefore are not used for potable water; and

WHEREAS, many commercial and industrial properties in the City of St. Louis are
underlain with groundwater unusable for potable purposes due to contamination by
anthropogenic sources; and

WHEREAS, at this time, it is often technologically impossible and financially unfeasible
to restore groundwater to drinking water standards; and

WHEREAS, the City of St. Louis does not use groundwater as a source for public drinking water; and

WHEREAS, state law, regulation and policy allows for state-evaluated, risk-based corrective action process for groundwater that is directed toward protection of human health and the environment balanced with the economic welfare of the citizens of the state; and

WHEREAS, where public drinking water is available, the potable use of groundwater in designated areas should be prohibited to protect public health and welfare when the quality of the groundwater presents an actual or potential threat to human health; and

WHEREAS, the City of St. Louis desires to limit potential threats to human health from groundwater contamination while facilitating the redevelopment and productive use of properties that may be affected by such chemical constituents

BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:

SECTION ONE. For the purposes of this ordinance the following definitions shall apply:

1. Person shall include any individual, partnership, co-partnership, firm, company, limited liability company, corporation, association, joint stock company, trust, political subdivision, or any other legal entity, or their legal representatives, agents or assigns.

2. Potable water means any water used or intended to be used for human or domestic consumption, including, but not limited to use for drinking, bathing, swimming, washing dishes, or preparing food.

SECTION TWO. Notwithstanding the provisions of any other ordinance, no person shall use or attempt to use groundwater as a potable water supply.

SECTION THREE. No person shall drill or install wells to be used for a potable water supply.

SECTION FOUR. Any active or inactive potable water wells found to exist subsequent to the enactment of this ordinance shall be reported to the Missouri Department of Natural Resources (MoDNR).

SECTION FIVE. The Mayor of the City of St. Louis, or his designee, is hereby authorized and directed to enter into a Memorandum of Understanding with MoDNR for tracking remediated sites, notifying MoDNR of changes to this ordinance, and taking certain precautions regarding potable water supply wells, if any are found subsequent to the enactment of this ordinance.

SECTION SIX. Any person convicted of violating this ordinance shall be fined not more than five hundred dollars or imprisoned up to ninety days or by both fine and imprisonment and shall be required to close the well(s) according to state standards under the Missouri Well Construction Rules (10 CSR 23) or other applicable state or federal laws or regulations.

SECTION SEVEN. This being an ordinance for the preservation of public peace, health and safety, it is hereby declared to be an emergency measure within the meaning of Sections 19 and 20 of Article IV of the Charter of the City of St. Louis and therefore this ordinance shall become effective immediately upon its passage and approval by the Mayor.

Stephen J. Kovac
Deputy City Counselor

SJK
Legal Description of the City of St. Louis
Charter of the City of St. Louis, Scheme, Section 1

Section 1 Boundaries of the City of St. Louis; territory of St. Louis County.

The boundaries of the City of St. Louis are hereby enlarged, settled and established as follows:

The corporate limits of the City of St. Louis shall comprise all that district of country situated in the County of St. Louis and State of Missouri, to-wit: Beginning at a point in the middle of the main channel of the Mississippi River and running thence westwardly at right angles to said channel to a point on the west bank of said river two hundred feet south of the center of the mouth of the River des Peres; thence westwardly and parallel to the center of the River des Peres and two hundred feet south thereof to the eastern line of the Lemay Ferry Road; thence westwardly to a point in the west line of said Lemay Ferry Road at its intersection with the center of the Weber Road; thence westwardly along the center of the Weber Road to its intersection of the east line of lot one (1) of the Carondelet commons south of the River des Peres; thence westwardly to the southeast corner of Rudolph Overman’s or northeast corner of B. H. Haar’s land; thence westwardly to said Haar’s northwest corner; thence northwesternly to a point in the center of the Gravois Road six hundred (600) feet southwardly from the center of the bridge across the River des Peres; thence northwesternly to the southeast corner of lot thirty-one (31) of the subdivision of the Mackenzie tract in United States survey one thousand, nine hundred, and fifty-three (1,953); thence northwesternly in continuance of said last-mentioned line to the southern line of lot twenty-one (21) of the subdivision of the said Mackenzie tract; thence northwesternly to a point in the southern line of United States survey two thousand and thirty-five, twenty-six (26) chains eastward from the southwest corner of said survey; thence northwardly to a point in the north line of the subdivision of East Laclede six hundred (600) feet west of the McCausland Road; thence northwardly and parallel with the center of the McCausland Road to a point on the Clayton Road six hundred (600) feet west of its intersection with the McCausland road; thence northwardly and parallel with the Skinker Road and six hundred (600) feet west thereof to its intersection with the old Bonhomme Road; thence northeastwardly to the intersection of the center line of McLaran Avenue and Mead Street; thence in a northeastwardly direction to a point in the Bellefontaine Road six hundred (600) feet north of its intersection with the Columbia Bottom Road; thence northwardly and parallel with center line of the Columbia Bottom Road to the northern boundary line of the United States survey number one hundred and fourteen (114); thence eastwardly along said line to the center of the main channel of the Mississippi River; thence with the meanderings of said channel southwardly to the point of beginning; and the residue of what now constitutes the County of St. Louis shall hereafter be called St. Louis County.
