

Missouri Department of Natural Resources

The generators listed here have failed to file required reporting, failed to pay applicable fees and taxes, or both. Any Missouri treatment, storage, and disposal facility which accepts hazardous waste from generators on this list would be considered in violation of section 260.390(3) of the Revised Statutes of Missouri for accepting waste from an improperly registered generator

Generators Inactivated for Non-Compliance Issues

These generators have had their Missouri registrations inactivated for failure to comply with Missouri Statutes or Regulations.

This list was last updated on **Tuesday, March 19, 2019**

For more information, or to learn how to have your company removed from this list, contact the Missouri Hazardous Waste Program at (573) 751-3176.

Status Key

Inactive Non-Reporter

These generators have been inactivated for failure to file a "Generator's Hazardous Waste Summary Report" for one or more reporting years.

Inactive Non-Payment

These generators have been inactivated for failure to pay fees and taxes for one or more years.

Inactive Non-Deliverable

These generators have been inactivated because correspondence concerning compliance issues has been returned to the Missouri Hazardous Waste Program as undeliverable or delivery was refused by the addressee.

Inactive Failure to Renew

These generators have been inactivated because they did not pay the annual registration renewal fee.

Note: A status shown on this list does not preclude the possibility of other outstanding issues that will require resolution prior to the registration being reactivated
