RE: Class 1 Permit Modification Without Prior Director's Approval
Lake City Army Ammunition Plant, Independence, Missouri
EPA ID# MO4213820489

Dear Mr. Emadi:

The Missouri Department of Natural Resources (Department) received Lake City Army Ammunition Plant's (LCAAP) Class 1 Permit Modification notice, dated January 25, 2016. The notification was for the following items:

- Update contact information for members of the Emergency Coordinators and LCAAP Emergency Response Team. Change the designated primary and alternate emergency coordinators.
- Update contact information for members of the explosive spill response team.
- Update the emergency hotline and plant security extensions.
- This modification requested the site contact person be changed from Ms. Julia A. Casey to Mr. Baq Emadi. The site contact person was previously changed from Ms. Julia A. Casey to Mr. Brian J. Dudgeon in a modification request dated March 20, 2015, and approved April 21, 2015. The Department recognizes Mr. Emadi as the new site contact person.

The Department agrees with LCAAP that this is a Class 1 Permit Modification not requiring prior director approval, according to Code of State Regulations 10 CSR 25-7.270(1), which incorporates Code of Federal Regulations 40 CFR 270.42, Appendix I, A.1. and B.6.d. LCAAP must send a notice of the modification to everyone on their facility mailing list and the appropriate units of state and local government within 90 calendar days after the change was put into effect, according to 10 CSR 25-7.270(1), which incorporates 40 CFR 270.42(a)(1)(ii). LCAAP must also update the contingency plans held by local police, fire, hospitals, and State and local emergency response teams. LCAAP must send a copy of the notice to the Department.
