RE: Class 1 Permit Modification with Prior Director's Approval, Greenfield Environmental Multistate Trust, LLC (Formerly Tronox, LLC), Facility at 2300 Oakland Kansas City, Missouri, EPA ID# MOD007128978

Dear Ms. Brooks:

The Missouri Department of Natural Resources (Department) approves the Tronox, LLC, and Greenfield Environmental Multistate Trust, LLC's (Trust) Class 1 Permit Modification request, dated February 4, 2011. The request was to change ownership/operational control of the facility from Tronox, LLC, to the Trust. The effective date of the transfer was February 14, 2011. The Department found the information to be complete.

The Department agrees with Tronox and the Trust that this is a Class 1 Permit Modification requiring prior director approval with the following conditions:

The Trust must send a notice of the modification to everyone on the facility mailing list for the facility and the appropriate units of state and local government within 90 calendar days after the date of this letter, as outlined in Code of Federal Regulations 40 CFR 270.42(a)(1)(ii), incorporated by reference in Code of State Regulations 10 CSR 25-7.270(1). The Trust must send a copy of the notice to the Department.

The Trust must submit a Notification of Regulated Waste Activity Form to the Department within 30 days of the date of this letter. The form is available on the Department's website at www.dnr.mo.gov/forms/780-1164.pdf. Please note that the \$100 fee required with this form is not required for updating information on the form, such as a new name or address.

If you need assistance or have questions regarding this letter, please contact Mr. Donald L. Dicks, Environmental Engineer, of my staff at the Missouri Department of Natural Resources,
