RE: Class 2 Permit Modification – Burn Tank Recirculation Piping
Holcim (U.S.) Inc./Geocycle, LLC, Clarksville, Missouri
EPA ID# MOD029729688

Dear Mr. Conreux:

This letter is to notify you that the Department of Natural Resources (department) received a Class 2 permit modification request, dated September 26, 2008, along with piping diagram submitted October 23, 2008. The request was for the construction of a 3-inch recirculation pipe to connect burn tanks two and three.

The department agrees with Holcim (U.S.) Inc./Geocycle, LLC, that this is a Class 2 permit modification. The department hereby approves the modification. Holcim (U.S.) Inc./Geocycle, LLC, conducted the public participation activities for the Class 2 permit modification, as outlined in 40 CFR 270.42(b). The comment period ended December 15, 2008, with no comments received.

If you have any questions regarding this letter, please contact Brenda Bethel, P.E., of my staff at the Department of Natural Resources, Hazardous Waste Program, P.O. Box 176, Jefferson City, MO 65102-0176, or by phone at (573) 751-3553 or 1-800-361-4827, or by e-mail at Brenda.Bethel@dnr.mo.gov.

Sincerely,

HAZARDOUS WASTE PROGRAM
