RE: Class 1 Permit Modification with Prior Director's Approval  
Kansas City International Airport (MCI) Maintenance Base, Kansas City, Missouri  
EPA ID# MOD043935048

Dear Mr. Vitatoc:

This letter is to notify you that the Missouri Department of Natural Resources (Department) reviewed Kansas City International Airport (MCI) Maintenance Base's Class 1 Permit Modification request, dated January 18, 2011, which is a revision of the original request, dated January 12, 2011. A minor revision of the January 18, 2011, request was also submitted on January 28, 2011 and January 31, 2011. The request was to change operational control of the facility from American Airlines, Incorporated, to the City of Kansas City, Missouri. The Department found the information to be complete.

The Department agrees with Kansas City International Airport (MCI) Maintenance Base that this is a Class 1 Permit Modification requiring prior director approval. We are approving the modification request with the following conditions:

Kansas City International Airport (MCI) Maintenance Base must send a notice of the modification to everyone on their facility mailing list and the appropriate units of state and local government within 90 calendar days after the date of this letter, as outlined in Code of Federal
