Continental Cement Company, LLC/Green America Recycling, LLC
Hannibal, Missouri, EPA ID# MOD054018288

Dear Ms. Farr:

This letter is to notify you that the Missouri Department of Natural Resources (Department) received Continental Cement Company, LLC/Green America Recycling, LLC's (CCC/GAR) Class 1 Permit Modification notice, dated March 17, 2010. The notification was to clarify the Subpart BB inspection checklist by reordering tags to follow the course of a normal inspection walkthrough in your consolidated permit application, dated August 25, 2008.

The Department agrees with CCC/GAR that this is a Class 1 Permit Modification not requiring prior director approval. CCC/GAR must send a notice of the modification to everyone on their facility mailing list and the appropriate units of state and local government within 90 calendar days after the change was put into effect, as outlined in Code of Federal Regulations 40 CFR 270.42(a)(1)(ii). CCC/GAR must send a copy of the notice to the Department.
