RE: Class 1 Permit Modification Without Prior Director's Approval  
EBV Explosives Environmental Company (EBVEEC), Joplin, Missouri  
EPA ID# MOD985798164

Dear Mr. Zoghby:

This letter is to notify you that the Missouri Department of Natural Resources (Department) received EBVEEC's Class 1 permit modification notice, dated May 8, 2009. The notification was for updating the Operator Training and Certification Program for the Improved Conventional Munition/Multiple Launch Rocket System Building #1 thermal treatment process as required by Special Permit Condition II.G.8. of the Missouri Hazardous Waste Management Facility Permit.

The Department agrees with EBVEEC that this is a Class 1 permit modification not requiring prior director approval. EBVEEC must send a notice of the modification to everyone on their facility mailing list and the appropriate units of state and local government within 90 calendar days after the change was put into effect, as outlined in Code of Federal Regulations 40 CFR 270.42(a)(1)(ii). EBVEEC must send a copy of the notice to the Department.

If you have any questions regarding this letter, please contact Mr. Richard Hock, of my staff, at the Missouri Department of Natural Resources, Hazardous Waste Program, P.O. Box 176, Jefferson City, MO 65102-0176, or by phone at (573) 751-3553 or 1-800-361-4827, or by e-mail at richard.hock@dnr.mo.gov. Thank you.

Sincerely,
