RE: Class 1 Permit Modification Without Prior Director's Approval
WM LampTracker, Incorporated, Lake Ozark, Missouri
EPA ID# MOR000504456

Dear Mr. Kohout:

This letter is to notify you that the Missouri Department of Natural Resources (Department) received WM LampTracker, Incorporated's Class 1 permit modification notice, dated December 3, 2009. The notification was for WM Universal Waste LampTracker 1, Incorporated, d/b/a HTR Group, Incorporated, to modify its November 15, 2006, Missouri Hazardous Waste Management Facility Part I Permit to reflect a new name. The facility will operate under the new name of WM LampTracker, Incorporated.

The Department agrees with WM LampTracker, Incorporated, that this is a Class 1 permit modification not requiring prior director approval. As outlined in Code of Federal Regulations 40 CFR 270.42(a)(1)(ii), WM LampTracker, Incorporated, must send a notice of the modification to everyone on their facility mailing list and the appropriate units of state and local government within 90 calendar days after the change was put into effect. WM LampTracker, Incorporated, must send a copy of the notice to the Department.

Within 30 days of the date of this letter, WM LampTracker, Incorporated, shall submit for the Department's approval a new U.S. Environmental Protection Agency Resource Conservation and Recovery Act Hazardous Waste Part A Permit Application form. The form is conveniently located at the following location:

<http://www.epa.gov/osw/inforesources/data/form8700/8700-23.pdf>
