RE: Class 1 Permit Modification Without Prior Director's Approval  
Waste Management LampTracker, Incorporated, Lake Ozark  
EPA ID# MOR000504456

Dear Mr. Blair:

This letter is to notify you that the Missouri Department of Natural Resources (Department) received Waste Management LampTracker, Incorporated's Class 1 Permit Modification notice, dated September 1, 2010. The notification was to update Section 6.2 of the Missouri Hazardous Waste Management Facility application dated March 1, 2004. Specifically, Section 6.2 contains the Waste Management LampTracker, Incorporated's emergency coordinator contact list. Additionally, Waste Management LampTracker, Incorporated, made some minor changes to Section 4.0 Personnel Training. The changes made to this document related to job title changes and in no way reflected an increase and/or a decrease in actual training.

The Department agrees with Waste Management LampTracker, Incorporated, that this is a Class 1 Permit Modification not requiring prior director approval. Waste Management LampTracker, Incorporated, must send a notice of the modification to everyone on their facility mailing list and the appropriate units of state and local government within 90 calendar days after the change was put into effect, as outlined in Code of Federal Regulations 40 CFR 270.42(a)(1)(ii), incorporated by reference in Code of State Regulations 10 CSR 25-7.270(1). Waste Management LampTracker, Incorporated, must send a copy of the notice to the Department.
