Subject: Letter of Intent – Section 319 Watershed Planning Project Proposal

General Instructions: Please provide a brief paragraph for each numbered bullet below. An abundance of information is not needed at this stage.

Proposed projects are to be electronically submitted to Trish Rielly at trish.rielly@dnr.mo.gov. The information will be reviewed and a meeting or a conference call will be scheduled at a future date for further discussion. Tier 1 watersheds are currently the primary focus for planning efforts (see Table 1). However, other watersheds will be considered for planning opportunities as funding allows. If your project is selected, additional information will be requested to obtain specific details regarding the project scope, timeline, and budget.

1. Applicant name, association, and contact information
2. Describe any previous experience with watershed planning
3. Project Title
4. Project Introduction
5. Statement of the problem and intent
6. Brief description of the project
7. Project objectives
8. Products or measurable results expected
9. Budget: Estimated cost in federal dollars (60 federal/40 nonfederal match required).
*Match calculation: $(40/60) * \text{federal dollars requested} = \text{nonfederal match requirement}$.*
10. Estimated time for completion: (please include estimated start and completion dates)
Please account for at least 3 months for EPA and MoDNR to review, updates, and final approval.
11. Partners and potential match contributions
