N2012-001	Southwest Missouri Solid Waste Management District - Region N District N District Operations Barry, Lawrence	DO	ADM	\$48,421.00 \$0.00 \$0.00 \$0.00	Ms. Joyce Stroud	These funds will be used for continued operations of the District's Solid Waste Management Plan to help the city/county and district projects to meet the District's and State goal of 50% reduction in waste going to landfills. Specifically these funds will address continued implementation of the District's Solid Waste Plan Programming elements, coordination and promotion of Solid Waste Programs in the District, providing technical assistance to the member cities and counties and the administration of all city/county District Grants.
N2012-002	Southwest Missouri Solid Waste Management District - Region N Education Program-District N Phase III Barry, Lawrence	CC	EDU	\$2,025.47 \$7,624.53 \$0.00 \$0.00	Ms. Joyce Stroud	This grant will fund recycling education programs in elementary schools and local organizations within the five counties (Barry, Dade, Lawrence, Stone and Taney). This grant will also fund costs for general educational material for District wide distribution. District N plans to subcontract with individuals to initiate contact with area administrators and teachers to schedule and conduct presentations to classes and student organizations. They will present to 40-42 classes with 15-20 people per class.
N2012-003	Southwest Missouri Solid Waste Management District - Region N MORA Conference 2012 Barry, Lawrence	CC	EDU	\$2,126.23 \$3,800.00 \$70.03 \$0.00	Ms. Joyce Stroud	This grant will allow District N to help out and set up a booth at the 2012 Missouri Recycling Association (MORA). This grant will help District N purchase recycled items to be handed out throughout the conference and any material to be used for the booth. Also this grant will be used to reserve a room for three nights at the Hilton St. Louis Frontenac Hotel for the District Planner and a Silver Level sponsorship, which will give the District two registrations for the conference along with the booth. One registration will be used by the District Planner and the other for a person to help man the booth.

N2012-004	Hollister R-V School District Hollister Schools Expanded Recycling Project Taney	CC	RE	\$2,720.00 \$0.00 \$0.00 \$0.00	Ms. Debbie Redford	This grant will fund the purchase of two storage containers (buildings) for the Hollister School District to provide dry storage for cardboard, plastics, the aluminum cans and tin from the kitchens. One would be placed behind the Elementary School and the other between the High School and Middle School for the same purpose. This will help the school district more efficiently store and recycle materials.
N2012-005	All Points Recycling, LLC All Points Recycling Conveyor Barry	CC	RE	\$0.00 \$19,960.00 \$0.00 \$0.00	Ms. Brenda Fletcher	Amended: This grant was amended to use remaining funds to purchase a forklift and a set of forks. This grant will fund the purchase of a movable conveyor system that will enable All Points Recycling to be more efficient with its different types of recycling equipment. The conveyor can be moved to six (6) different pieces of equipment depending on the need.
N2012-006	Tantone Industries, Inc. Tantone Industries-Vertical Baler and Sink Taney	CC	WR	\$10,490.95 \$0.00 \$0.00 \$0.00	Ms. Sarah Baty	This grant will fund both a vertical baler as well as a sink. The vertical baler will be essential for baling plastics that otherwise would be sitting waiting to be processed by the other two on site. This will reduce the amount of material stacking up on the floor of the warehouse. Also when the current contract with Marck expires they will be losing one of the two balers already on site. The recycling facility currently has no running water inside. By installing a sink they will no longer have to carry buckets of water which are used to wash materials to be recycled.
N2012-007	Tantone Industries Inc. Tantone Industries Inc. Vertical Baler transferred from Iron Dawg, LLC Skid Steer and Vertical baler. Taney & Stone	CC	RE	\$5,400.00 \$0.00 \$0.00 \$0.00	Ms. Sarah Baty	Amended: 8-21-13 The District terminated this grant with Iron Dawg LLC on 5-15-2013, and transferred the grant for the vertical baler to Tantone Industries, Inc. The baler with a value of \$5,400, will be used for shredded paper. The skid steer will be part of the FY2014 grant call and has been moved to the District Offices. (See N2012-009) Approved 4-10-12 for \$18,400: This grant will be funding the purchase of a skid steer loader (\$11,200) and a commercial vertical baler (\$7,200). The skid steer loader is required to help Iron Dawg efficiently load and unload recyclable materials into shipment boxes or the baler. Currently this is being done manually. The commercial vertical baler is required to allow Iron Dawg to bale the materials and transport them to a processing mill for further recycling.
