

Missouri SWMD District Annual Report

Member: District H - Mid MO Solid Waste Management District

Year: 2014

Cycle: Fiscal Period: July 1st - June 30th

SOLID WASTE MANAGEMENT DISTRICT ANNUAL REPORT

1 (a). What waste goals did the district have for the fiscal year period and what actions did the districts take to achieve these goals?

MMSWMD had 4 tire and electronic waste collections: Oct 26th Callaway County, Nov 16th City of Columbia Health Dept, May 10 University of Missouri and May 17th Centralia. We had 1 HHW collection in conjunction with the tire and ewaste collection at the University . We collected 221.49 tons in tires, 86.20 tons in ewaste and 8.6 tons in HHW.

1 (b). What waste goals does the district have for the upcoming fiscal period and what actions does the district plan to take to achieve these goals. Please include the types of grant proposals that will be sought for the upcoming period to assist in meeting these goals.

MMSWMD will conduct 2 tire collections, 5 or more MMS electronic waste collections, and scrap tire cleanups as requested. The e-waste collections are scheduled in conjunction with FY2015 scheduled tire collections. There are 6 permanent HHW facilities in operation. In place of HHW collections the District foresees offering 1-24hr HAZWOPER Training and 1-8hr Refresher course for new and existing HHW facility workers. We anticipate diversion of 10 tons of scrap tires, 5 tons of metal from wheels and 20 tons of electronic waste. MMSWMD intends to schedule several special recycling events for county fairs and festivals upon notice and invitation of events. Additional projects for FY2015 will include addressing priorities in the District's updated Solid Waste Management Plan, e.g., education/outreach, rural recycling, special event recycling, college/university recycling (9-10 institutions in Region H), sheltered workshops and small recyclers, white goods recycling, enhancing Region H website, expanding individual HHW sites, proceeding with illegal dump program of some variety, and working with cities, counties and local organizations to identify and address service gaps in solid waste management.

2 (a). What recycling goals did the district have for the fiscal year period and what actions did the district take to achieve these goals?

	GOAL:	ACTION:
1	E waste of 20 tons	Collected 86.20 tons from 4 collections
2	HHW of 3 tons	Collected 8.6 tons from 1 collection

2 (b). What recycling goals does the district have for the upcoming fiscal year period and what actions does the district plan to take to achieve these goals? Please include the types of grant proposals that will be sought for the upcoming period to assist in meeting these goals?

As in the past, the district will request grant funding through DNR to assist with 2 tire collections, 5 or more electronic waste collections, and scrap tire cleanups. The e-waste collections are scheduled in conjunction with FY2015 scheduled tire collections. There are 6 permanent HHW facilities in operation. In place of HHW collections the District foresees offering 1-24hr HAZWOPER Training and 1-8hr Refresher course for new and existing HHW facility workers. We anticipate diversion of 10 tons of scrap tires, 5 tons of metal from wheels and 20 tons of electronic waste. MMSWMD intends to schedule several

special recycling events for county fairs and festivals upon notice and invitation of events. Additional projects for FY2015 will include addressing priorities in the District's updated Solid Waste Management Plan, e.g., education/outreach, rural recycling, special event recycling, college/university recycling (9-10 institutions in Region H), sheltered workshops and small recyclers, white goods recycling, enhancing Region H website, expanding individual HHW sites, proceeding with illegal dump program of some variety, and working with cities, counties and local organizations to identify and address service gaps in solid waste management.
