Ms. Lisa Danbury
Mid-America Regional Council Solid Waste Management District – Region E
600 Broadway, Suite 200
Kansas City, MO 64105-1659

Dear Ms. Danbury:

The Solid Waste Management Program (SWMP) recently received your request for an extension of time for submission of the Mid-America Regional Council Solid Waste Management District – Region E written response to the performance audit resolution letter. Your letter indicates due to critical family health issues, you and Nadja have not had an opportunity to devote the time necessary to properly address the findings and provide a report to your Executive Board.

We believe your request for this 90 day extension, given the nature of the request is reasonable. The amended 10 CSR 80-9.050.(9.) sets forth certain provisions related to extensions of due dates for reports by the districts. Specifically, that a new date for submittal is established and the district meets this filing date. In accordance with these provisions, the SWMP grants the request for an extension of the due date for the performance audit resolution response from Mid-America Regional Council Solid Waste Management District – Region E. The response will need to be postmarked no later than June 23, 2008.

Our thoughts are with you and your family during this difficult time. Please do not hesitate to contact me at (573) 526-9940 or by mail at P.O. Box 176, Jefferson City, Missouri, 65102, if you have any questions.

Sincerely,

SOLID WASTE MANAGEMENT PROGRAM
