

MISSOURI DEPARTMENT OF NATURAL RESOURCES  
SOLID WASTE MANAGEMENT PROGRAM  
**SOLID WASTE MANAGEMENT DISTRICT ANNUAL REPORT**

<b>1. REGION IDENTIFICATION (A-T)</b> C	<b>2. SOLID WASTE MANAGEMENT DISTRICT NAME</b> Northeast Missouri Solid Waste Management District	<b>3. FISCAL YEAR PERIOD:</b> FROM JULY 1, 2012 TO JUNE 30, 2013
--	--	---

**GOALS AND ACCOMPLISHMENTS**

**4. (A) WHAT WASTE REDUCTION GOALS DID THE DISTRICT HAVE FOR THE MOST RECENTLY COMPLETED FISCAL YEAR AND WHAT ACTIONS DID THE DISTRICT TAKE TO ACHIEVE THESE GOALS?**

We wanted to increase education on the reduction of material that goes into the landfills. In order to work toward achieving this goal we participated in a booth at the Missouri State Fair to promote waste reduction and showcase items made in Missouri from post-consumer materials. We also participated in radio and television informational programs. A FY 2011 grant to install an outdoor classroom at the Early Childhood Development Facility in the Kirksville School District and an FY 2012 grant to start a recycling program in Lewis County C-1 School District was completed this year. The Kirksville School District is working on a FY 2013 grant for second outdoor classroom at the Primary School. Each of these grant will add environmentally friendly practices to the curriculum of the students.

**4. (B) WHAT WASTE REDUCTION GOALS HAS THE DISTRICT SET FOR THE UPCOMING FISCAL YEAR? WHAT ACTIONS ARE PLANNED TO ACHIEVE THESE GOALS? PLEASE INCLUDE THE TYPES OF GRANT PROPOSALS THAT HAVE BEEN IDENTIFIED TO ASSIST IN MEETING THESE GOALS?**

Education at an early age remains important as we seek to decrease the amount of waste produced.

We have not identified any specific "type" of grant proposal, all grant applications are evaluated equally to determine the best use of the dollars allocated.

DEC - 2 2013

SWMP OPERATIONS

**5. (A) WHAT RECYCLING GOALS DID THE DISTRICT HAVE FOR THE MOST RECENTLY COMPLETED FISCAL YEAR AND WHAT ACTIONS DID THE DISTRICT TAKE TO ACHIEVE THESE GOALS?**

We wanted to see projects that would increase drop-off sites and/or curbside pick-up. There were no new grants to increase these however; there was a grant with a school district and one with a community that extended from the past year that increased drop off sites.

**5. (B) WHAT RECYCLING GOALS DOES THE DISTRICT HAVE FOR THE UPCOMING FISCAL YEAR? WHAT ACTIONS DOES THE DISTRICT PLAN TO ACHIEVE THESE GOALS? PLEASE INCLUDE THE TYPES OF GRANT PROPOSALS THAT HAVE BEEN IDENTIFIED TO ASSIST IN MEETING THESE GOALS.**

We are working to develop collection sites for glass as there is currently none in our district.

We have not identified any specific "type" of grant proposal, all grant applications are evaluated equally to determine the best use of the dollars allocated.

**6. (A) WHAT RESOURCE RECOVERY GOALS DID THE DISTRICT HAVE FOR THE MOST RECENTLY COMPLETED FISCAL YEAR AND WHAT ACTIONS DID THE DISTRICT TAKE TO ACHIEVE THESE GOALS?**

We had no specific resource recovery goal aside from increasing all recycling rates in the district.

We feel the grants we administer all work toward increasing the recovery whether thru actual collections or thru making the public aware of the possibilities.

**6. (B) WHAT RESOURCE RECOVERY GOALS DOES THE DISTRICT HAVE FOR THE UPCOMING FISCAL YEAR AND WHAT ACTIONS DOES THE DISTRICT PLAN TO ACHIEVE THESE GOALS? PLEASE INCLUDE THE TYPES OF GRANT PROPOSALS THAT HAVE BEEN IDENTIFIED TO ASSIST IN MEETING THESE GOALS.**

We would like to attain the highest recovery rate possible in order to increase the markets for post-consumer products.

SWMP OPERATIONS

**11. DESCRIBE YOUR DISTRICT'S GRANT PROPOSAL EVALUATION PROCESS.**

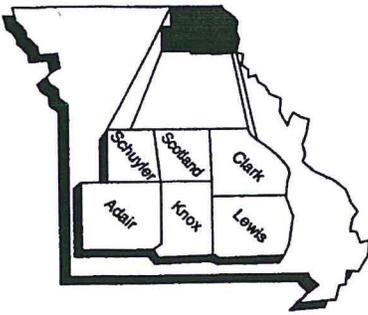

Evaluations are based on the 19 criteria required. Applications are given the evaluation criteria in the guidance documents and informed that their application will be judged based upon these items. Each Executive Board member receives the evaluation criteria along with a copy of each application at least one week before the board meeting date. Each member reviews and scores each application prior to the meeting. Applications are voted on by board members during the board meeting. Any board member having an interest in any application abstains from the process.

Applications from previous grantees and ongoing operations are not excluded.
