Defendants.)	

STATUS REPORT

COMES NOW Bridgeton Landfill, LLC (“Bridgeton Landfill”) by and through counsel, and states as follows:

1. On May 13, 2013, an Agreed Order was entered by the Circuit Court of St. Louis County, Missouri requiring a status report to be submitted on or before June 3, 2013 and the first business day of each month thereafter.
2. The status update must discuss, at a minimum, work on site, compliance with the Agreed Order, and planned activities for the next 30 days.
3. This serves as a status report as required under the Agreed Order.

REPORT OF WORK ON SITE

During May 2018, Bridgeton Landfill conducted the following work on the Site:

4. Continued routine erosion control and maintenance and ongoing monitoring consistent with facility operations and agreed process;
5. Continued operation and maintenance of gas collection and control system;
6. Continued upgrades to gas collection and control system as needed;
7. Continued routine operation and maintenance of gas interceptor wells and temperature monitoring probes;

8. Continued operation of leachate pre-treatment plant pursuant to Metropolitan Sewer District (“MSD”) permit;
9. Continued direct discharge of permeate to MSD’s Bissell Point treatment facility or other approved disposal facilities as determined by MSD;
10. Continued enhancements to operational efficiency of leachate pretreatment facility;
11. Continued implementation of Odor Management Plan;
12. Continued weekly temperature monitoring of neck area Gas Extraction Wells;
13. Continued bird management program;
14. Continued operation of the expanded cooling pilot study, including temperature reporting from temperature monitoring probes (“TMPs”);
15. Continue repairs on LCS-1D;
16. Completed repairs on LCS-5B;
17. Conducted maintenance on low fill areas;
18. Continued construction on the first responders’ entrance as weather and contractor availability permitted;
19. Continue preparing for 15 gas extraction wells;
20. Continue preparation for the EVOH liner extension project in the vicinity of GEW-1A;
21. Begin abandonment of the perimeter extraction wells (PEWs); and
22. Began installation of redundant cooling tower for Neck Heat Extraction System, weather and contractor availability permitting.

REPORT OF COMPLIANCE WITH AGREED ORDER

In addition to the work on Site, as outlined above, Bridgeton Landfill conducted the following activities in compliance with the direction of the Agreed Order:

23. The weekly reports required under Section 52.F were submitted on May 4, 11, 18, and 25, 2018 and
24. The monthly report required under Section 52.E was submitted on May 20, 2018.

REPORT OF PLANNED ACTIVITIES FOR NEXT 30 DAYS

During the next thirty (30) days, Bridgeton Landfill plans to conduct the following activities at the Site:

25. Continue operations of the on-site leachate pre-treatment plant;
26. Continue to complete enhancements to on-site leachate pre-treatment plant;
27. Continue implementation of the Odor Management Plan;
28. Continue to enhance, operate, and maintain gas extraction system;
29. Continue implementation of approved expanded heat extraction pilot study;
30. Continue TMP monitoring and maintenance in the North Quarry;
31. Continue bird management program;
32. Continue maintenance on low fill areas;
33. Continue construction of the first responders' entrance, dependent on weather conditions and contractor availability;
34. Begin construction of the EVOH liner extension project in the vicinity of GEW-1A, pending weather and contractor availability as well as regulatory approvals;
35. Begin improvements to North Quarry drainage system, pending weather and contractor availability as well as regulatory approvals;

36. Continue abandonment of the perimeter extraction wells (PEWs), weather and contractor availability permitting;
37. Continue preparations for drilling of 15 gas extraction wells; and
38. Continue installation of redundant cooling tower for Neck Heat Extraction System, weather and contractor availability permitting.

Respectfully Submitted,
